*Barnes' Notes on the NT (Barnes)* Albert Barnes, Verse by verse the author covers the entire New Testament carefully and understandably explaining every verse and offering a practical application for Christian living

**The Basics of Hebrew Poetry** Samuel T. S. Goh, 2017-10-12 Almost 75 percent of the Old Testament is made up of poetic passages yet for many readers lay Christians even seminary students and pastors biblical poetic passages remain the greatest challenge Being unfamiliar with poetry in general and biblical poetry in particular their reading and preaching are limited to selected poetic passages This in turn limits their understanding of God's word To help readers overcome these problems the first four chapters of this book aim to get them familiarized with the literary techniques of biblical poets To demonstrate how the techniques work to bring across the biblical theological message the last three chapters offer poetic analyses of three passages of different kinds In the process we hope to draw attention to the beauty of the Hebrew poetic art and to the creative skill of biblical poets versification The ultimate aim however is to help readers discover the rich message of the Bible

*Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American

proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious      *Orange Proverbs and Purple Parables* W. R. Brookman,2015-05-18 In the words of Saint Augustine the Bible is long complicated and difficult to read *Orange Proverbs Purple Parables* is a book about reading the Bible How does one become a more spiritually discerning and critically appreciative reader of the Holy Scriptures What does it take to become a better interpreter of biblical texts This book explores wide ranging approaches and considerations germane to the enterprise of reading The catch phrase used throughout the book is that of reading the Holy Scriptures as scripture What goes into reading the Bible as scripture What are some of the major elements inherent in this endeavor that should be of concern to the one who aspires to become a deep thoughtful reader and an effective interpreter This book weaves through a labyrinth of characters and disciplines as it explores this enterprise of reading the Holy Scriptures The likes of Chomsky Augustine neuroscience Barth linguistics theological interpretation Origen metaphor theory devotional reading and Jerome along with many more people and fields of inquiry are all garnered to encourage the reader in an exploration of the enterprise of reading the Holy Scriptures      **The Evangelical Repository** ,1885      **Isaiah 40-66** Shalom M. Paul,2012-05-01 In depth exegesis from a renowned Hebrew scholar This Eerdmans Critical Commentary volume is Shalom Paul s comprehensive all inclusive study of the oracles of an anonymous prophet known only as Second Isaiah who prophesied in the second half of the sixth century B C E Paul examines Isaiah 40 66 through a close reading of the biblical text offering thorough exegesis of the historical linguistic literary and theological aspects of the prophet s writings He also looks carefully at intertextual influences of earlier biblical and extrabiblical books draws on the contributions of medieval Jewish commentators and supports the contention that Second Isaiah should include chapters 55 66 thus eliminating the need to demarcate a Third Isaiah      The Swedenborg Concordance John Faulkner Potts,1888      **The Old Testament Student** ,1884 Vol 8 includes New Testament supplement      **The Black Hole in Isaiah** Frederik Poulsen,2019-01-04 Isaiah is strangely silent on the destruction of Jerusalem and the people s deportation to Babylon in the early sixth century

BCE Frederik Poulsen demonstrates that the exile hides itself as a black hole at the center of the composition and thereby has a decisive influence on the literary structure poetic imagery and theological message of this prophetic book Readings from the Old Testament, and Phrase Book Louise Emery Tucker,1913 *Host Bibliographic Record for Boundwith Item Barcode 30112120080350 and Others* ,1884 *My Psalm Has Turned into Weeping* Will Kynes,2012-10-30 Drawing inspiration from the widely recognized parody of Ps 8 5 in Job 7 17 18 this study inquires whether other allusions to the Psalms might likewise contribute to the dialogue between Job his friends and God An intertextual method that incorporates both diachronic and synchronic concerns is applied to the sections of Job and the Psalms in which the intertextual connections are the most pronounced the Job dialogue and six psalms that fall into three broad categories praise 8 107 supplication 39 139 and instruction 1 73 In each case Job s dependence on the Psalms is determined to be the more likely explanation of the parallel and in most allusions to the same psalm appear in the speeches of both Job and the friends The contrasting uses to which they put these psalms reflect conflicting interpretive approaches and uncover latent tensions within them by capitalizing on their ambiguities They also provide historical insight into the Psalms authority and developing views of retribution The dialogue created between Job and these psalms indicates the concern the book has with the proper response to suffering and the role the interpretation of authoritative texts may play in that reaction **NIV, Student Bible, Hardcover** Philip Yancey,Tim Stafford,2010-07-01 The Student Bible s proven commonsense approach to studying the Scriptures appeals to high school and college readers as well as adults of every age Its carefully researched features will help you overcome common obstacles to reading and understanding the Bible Edited by award winning authors Philip Yancey and Tim Stafford this Bible enables you to understand what you read find the topics you re looking for and make real progress in your studies Also included is a study track that takes you on a fascinating and enriching year long tour of the Bible Recommended for homeschool use **The Family treasury of Sunday reading, ed. by A.
