Lincoln His Boys Rosemary Wells:

Lincoln and His Boys Rosemary Wells, 2011-02-22 An intimate moving portrait of Abraham Lincoln as rarely seen through the eyes of his children and captured in exquisite illustrations Historians claim him as one of America's most revered presidents But to his rambunctious sons Abraham Lincoln was above all a playful and loving father Here is Lincoln as seen by two of his boys Willie thrilled to be on his first train trip when Lincoln was deciding to run for president Willie and Tad barging into Cabinet meetings to lift Lincoln's spirits in the early days of the Civil War Tad accompanying him to Richmond just after the South's defeat With the war raging and the Union under siege we see history unfolding through Willie's eyes and then through Tad's and we see Lincoln rising above his own inborn sadness and personal tragedy through his devotion to his sons With evocative and engaging illustrations by P J Lynch Rosemary Wells offers a carefully researched biography that gives us a Lincoln not frozen in time but accessible and utterly real Back matter includes an author's note *Irish Children's Literature and Culture* Keith O'Sullivan, Valerie Coghlan, 2011-03-17

What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature whatever the parameters in comparison with Ireland's contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children's literature **The**
