Lovecraft Howard Phillips Lovecraft, 2020      The Collected Stories of Howard Phillips Lovecraft Howard Phillips Lovecraft, When I drew nigh the nameless city I knew it was accursed I was traveling in a parched and terrible valley under the moon and afar I saw it protruding uncannily above the sands as parts of a corpse may protrude from an ill made grave Fear spoke from the age worn stones of this hoary survivor of the deluge this great grandfather of the eldest pyramid and a viewless aura repelled me and bade me retreat from antique and sinister secrets that no man should see and no man else had dared to see Remote in the desert of Araby lies the nameless city crumbling and inarticulate its low walls nearly hidden by the sands of uncounted ages It must have been thus before the first stones of Memphis were laid and while the bricks of Babylon were yet unbaked There is no legend so old as to give it a name or to recall that it was ever alive but it is told of in whispers around campfires and muttered about by grandams in the tents of sheiks so that all the tribes shun it without wholly knowing why It was of this place that Abdul Alhazred the mad poet dreamed of the night before he sang his unexplained couplet That is not dead which can eternal lie And with strange aeons death may die I should have known that the Arabs had good reason for shunning the nameless city the city told of in strange tales but seen by no living man yet I defied them and went into the untrodden waste with my camel I alone have seen it and that is why no other face bears such hideous lines of fear as mine why no other man shivers so horribly when the night wind rattles the windows When I came upon it in the ghastly stillness of unending sleep it looked at me chilly from the rays of a cold moon amidst the desert's heat And as I returned its look I forgot my triumph at finding it and stopped still with my camel to wait for the dawn      The Shadow Out of Time Illustrated Howard Phillips Lovecraft, 2020-10-03 Howard Phillips Lovecraft was an American author of fantasy horror and science fiction      *The Worlds of H.P.
