Listen To Her Voice Women Of The Hebrew Bible:

Listen to Her Voice Miki Raver, 1998-09 In this illustrated retelling of the lives of eighteen women in the Hebrew Bible we are reunited with the stories of remarkable women **Slightly Bad Girls of the Bible** Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from *Slightly Bad Girls of the Bible* [The Girl's Still Got It](#) Liz Curtis Higgs, 2012-07-10 You know Ruth's story Now meet her in person And prepare to be changed Walk with Ruth as she travels from Moab to Bethlehem certain of her calling yet uncertain of her future Hold Naomi's hand and watch love put the pieces of her broken life back together And hang out with Boaz their kinsman redeemer who blesses both women and honors God big time With best selling author Liz Curtis Higgs by your side you'll tarry in the corners of their ancient houses listen to their conversations and consider every word of every verse until you can say I totally get the book of Ruth And I see what God is trying to teach me through this rags to riches redemption story he has a plan for my life Girl does he ever Think of it as time travel without gimmicks gizmos or a DeLorean a novel approach to Bible study that leaps from past to present gleaming timeless truths that speak to the heart *The Lost Matriarch* Jerry Rabow, 2014-09-01 The Lost Matriarch offers a unique response to the sparse and puzzling biblical treatment of the matriarch Leah Although Leah is a major figure in the book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah hidden within the text Through Jerry Rabow's weaving of biblical text and midrash readers learn the lessons of the remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals Leah's full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many will be an exciting new method of personal Bible interpretation *The Scarlet Cord* Lindsay Hardin Freeman, Karen N. Canton, 2016-10-25 The Scarlet Cord Conversations With God's Chosen Women tells the story of biblical women in a new way drawing the reader further down her spiritual path and closer to Christ And here is why for too long women in the Bible have

been demonized sanctified or simply misunderstood leaving highly stereotyped figures in their wake As a result passionate faithful and bright individuals from Eve to Ruth to Mary Magdalene have lost meaning for many contemporary Christians and non Christians alike Here through storytelling and artwork twelve compelling women of the Bible invite readers to step further into the sacred circle of God s people deepening their faith and joy in all of creation That circle offers more than peace It offers health healing and the knowledge that other women have also trod broken and jagged paths in their search for wholeness By taking this step the reader will discover that challenges experienced by biblical women are not so different from her own including infertility warfare hunger old age grief and sexual conflict

Fear of Black Consciousness Lewis R. Gordon,2025-08-22 Lewis R Gordon s Fear of Black Consciousness is a groundbreaking account of Black consciousness by a leading philosopher In this original and penetrating work Lewis R Gordon one of the leading scholars of Black existentialism and anti Blackness takes the reader on a journey through the historical development of racialized Blackness the problems this kind of consciousness produces and the many creative responses from Black and non Black communities in contemporary struggles for dignity and freedom Skillfully navigating a difficult and traumatic terrain Gordon cuts through the mist of white narcissism and the versions of consciousness it perpetuates He exposes the bad faith at the heart of many discussions about race and racism not only in America but across the globe including those who think of themselves as color blind As Gordon reveals these lies offer many white people an inherited sense of being extraordinary a license to do as they please But for many if not most Blacks to live an ordinary life in a white dominated society is an extraordinary achievement Informed by Gordon s life growing up in Jamaica and the Bronx and taking as a touchstone the pandemic and the uprisings against police violence Fear of Black Consciousness is a groundbreaking work that positions Black consciousness as a political commitment and creative practice richly layered through art love and revolutionary action

The Double Voice of Her Desire ,2019-05-21 To the attentive listener women s texts speak with a double voice Women are quite capable of telling a conventional story reflecting the expectations of the dominant culture However at the same time they tell their own muted story Such stories are fragments of resistance and anyone who has experience of living on the margins can track them down Such was the view of Fokkelien van Dijk Hemmes 1943 1994 This is a comprehensive collection of the late scholar s groundbreaking work in feminist biblical interpretation in English translation The essays document Van Dijk Hemmes development and show how her work relates to contemporary developments in feminist thinking There is a Foreword by Mieke Bal an in memoriam by Athalya Brenner and an overview of van Dijk Hemmes extensive output of books and articles completes the volume Fokkelien van Dijk Hemmes taught Women s Studies and Old Testament at the University of Utrecht Her pioneering work of feminist interpretation tragically cut short was highly influential both inside and outside the Netherlands Translated by David E Orton
