Magnetic Sponsoring Mike Dillard:

Magnetic Sponsoring Mike Dillard, 2014-10-20 Magnetic Sponsoring is unlike anything you've ever seen or read before when it comes to building a network marketing or MLM business. This is NOT a book for people who want to follow the herd or get average results handing out samples, holding home parties or buying leads. It is for the few who want to become leaders in this industry. Who want to walk across the stage and who want to earn 7 figures. It is for those who would rather be the hunted than the hunter. Who prefer to work smarter instead of harder. Who want to build a life long business instead of an opportunity and for those who value truth over hype. If you're tired of chasing your friends and family members posting fliers on phone poles, cold calling leads and handing out business cards, then Magnetic Sponsoring is exactly what you've been looking for. In this book, I will teach you: How to get an endless number of prospects to call you with credit card in hand, ready to buy your product or join your business. How to create a life long business with zero competition. How to make income whether your prospects join your business or not. How to legitimately produce endless leads for free. How to create automated marketing systems that sell and recruit for you. How to sponsor top industry leaders instead of tire kickers. How to become an Alpha man or woman that people respect and follow. How I used these strategies to make over 50 million online and become the 1 residual income earner in my opportunity. The Revised and Expanded Edition includes a new forward by Tim Erway, access to BONUS chapters and action guide PDFs, a private online community, an attraction marketing success interview series, and a BRAND NEW interview with me which will help you apply these powerful marketing strategies in your business as fast as possible. Thank you for your leadership.

How to Build A Million-Dollar Company From Your Own Home in Just 90 Days ...Really?!? Dr. Robert C. Worstell, 2014-05-31 To begin with, I was caught by surprise. I was doing my usual which was working at the daily grind of my slow but steady home business of publishing books when I got this email about a new release coming out. But it said nothing more than Dillard was releasing something new and did I want to be part of it? I knew of Mike Dillard from his days in Magnetic Sponsoring. This is where he almost single handedly revolutionized the Network Marketing industry simply by introducing them to Attraction Marketing and the Self Liquidating Offer Funded Proposal. After that, he'd gone on to build something called the Elevation Group which I hadn't paid much attention to since it was beyond my price range. Then I got another email saying how to login to the affiliate members area and once I got in, I started reviewing his descriptions about what was being offered. The reason I'm finally publishing this is so you can learn from someone who's been there, drunk the Kool Aid and survived.
