Makebelieve Uk Design For Performance 2011 015:

Make / Believe John Hartley, 2025-01-23 This book illustrates that mediated popular culture and science based knowledge systems entangled and compromised as both have become are still a robust crucible for system change for the future when they combine forces Planetary crises require responses from everyone This means that collective action is not simply a scientific or political problem It is a problem of culture and media But modern politics journalism and science were not designed for global climate action They've divided humans into competitive and often hostile we and they groups Identity news and knowledge are all weaponized Culture makes groups groups make knowledge and knowledge makes enemies What can be done to prevent global conflict and the drift to war Make Believe turns to popular culture and social media to argue for an alternative storyline While the Great Powers are making new enemies emergent classes led by children are using planetary connectivity to make new worlds A digital planet generates new kinds of strategic stories for pan human action based on difference intersectionality and cooperation for a sustainable Earth system Make Believe shows how alternatives to the Great Game of global contestation are gathering strength in unlikely places among women children lifestyle and pop culture Popular digital media literacy is now a prerequisite for the remediation of the planet **Best Before** James

Newman, 2012-08-21 Despite record sales and an ever growing global industry the simple fact is that videogames are disappearing Most obviously the physical deterioration of discs cartridges consoles and controllers means that the data and devices will crumble to dust and eventually will be lost forever However there is more to the disappearance of videogames than plastic corrosion and bit rot Best Before examines how the videogames industry's retail publishing technology design advertising and marketing practices actively produce obsolescence wearing out and retiring old games to make way for the always new just out of reach coming soon title and next generation platform Set against the context of material deterioration and the discursive production of obsolescence Best Before examines the conceptual and practical challenges faced within the nascent field of game preservation Understanding videogames as rich complex and mutable texts and experiences that are supported and sustained by cultures of gameplay and fandom Best Before considers how and even whether we might preserve and present games for future generations **Intimacy Across Visceral and Digital Performance** M.

Chatzichristodoulou, R. Zerihan, 2012-10-23 Consisting of critical analyses theoretical provocations and practical reflections by leading scholars practitioners from the fields of performance studies live art and creative technology these essays examine the rise of intimate performance works and question the socio historical contexts provoking those aesthetic and affective developments **Meat!** Sushmita Chatterjee, Banu Subramaniam, 2021-02-15 What is meat Is it simply food to consume or a metaphor for our own bodies Can bloody vegan burgers petri dish beef live animals or human milk be categorized as meat In pursuing these questions the contributors to Meat trace the shifting boundaries of the meanings of meat across time geography and cultures In studies of chicken fish milk barbecue fake meat animal sacrifice cannibalism exotic meat frozen

meat and other manifestations of meat they highlight meat's entanglements with race gender sexuality and disability From the imperial politics embedded in labeling canned white tuna as the chicken of the sea to the relationship between beef bans yoga and bodily purity in Hindu nationalist politics the contributors demonstrate how meat is an ideal vantage point from which to better understand transnational circuits of power and ideology as well as the histories of colonialism ableism and sexism Contributors Neel Ahuja Irina Aristarkhova Sushmita Chatterjee Mel Y Chen Kim Q Hall Jennifer A Hamilton Anita Mannur Elspeth Probyn Parama Roy Banu Subramaniam Angela Willey Psyche Williams Forson E-commerce Platform Acceptance Ewelina Lacka, Hing Kai Chan, Nick Yip, 2014-06-02 This book aims to offer a comprehensive overview of the issues facing organizations when deciding whether to accept e-commerce as a platform for business It provides a detailed evaluation of how the implementation of e-commerce may affect all parties within the supply chain suppliers retailers and consumers It also compares various opportunities and threats of accepting e-commerce in order to conclude whether it might offer access to a new digital era or whether it is an uncertain option yielding potential pitfalls This book helps to reveal existing and future consequences of e-commerce acceptance which are crucial for business decisions and operations in the present and going forward It therefore provides a unique insight into emerging e-commerce platform acceptance and is one of the first to provide a holistic perspective of how each party in the supply chain is affected by e-commerce acceptance E-commerce is bringing into view more flexible effective and efficient ways of conducting business activities among suppliers retailers and consumers It is not limited to time and space and therefore this digital platform has already established for itself a major role in today's world economy Despite promised benefits however threats emerge which need to be faced when turning to the virtual marketplace all of which have to be acknowledged before businesses will shift and adapt to the e-commerce platform This book is intended for postgraduate students executive MBA students and researchers interested in information management marketing and operations management *Make/Believe* Kate Burnett, 2015-01-31 This is a full colour fully illustrated celebration of design for performance by over 150 UK designers between 2011-2015 The title Make/Believe indicates the skills vision and commitment found in the diversity of contemporary performance design and the ravishing visuals that make UK designers sought after worldwide Make/Believe includes Dick Bird's stage designs for Kate Bush Colin Richmond's beautiful Wendy and Peter for the Royal Shakespeare Company Marie Jeanne Lecca's spectacular costumes for The Magic Flute on the Bregenz lake stage in Austria work by international designers Richard Hudson and Bob Crowley Tom Piper's memorable Tower of London Poppies installation with ceramicist Paul Cummins Es Devlin's designs for the 2012 Olympics closing event and for Myley Cyrus Bangerz World Tour Wildworks are included with the Michael Sheen Port Talbot Passion as are Neil Murray's magical Steptoe Son for Kneehigh and a gritty Threepenny Opera for Graeae Landscape and found space performance includes work by Louise Ann Wilson and Leslie Travers Grimes on the Beach at Aldeburgh 0 **The Times Index**, 2011 Indexes the Times Sunday times and magazine Times literary supplement Times
