Making Confession Hearing Confession A History Of The Cure Of Souls:

Making Confession, Hearing Confession Annemarie S. Kidder, 2010-03-01 Is confession obsolete Far from it Annemarie Kidder has learned At unexpected times and in unexpected places we hear the confession of a friend or a perfect stranger at crucial times in our lives we tend to unburden ourselves of matters that trouble our conscience While some churches offer opportunities for sacramental confession others provide counseling outside the sacramental framework Some confessional practices have been secularized as in psychotherapy and professional counseling others find expression in evangelistic crusades and Christian 12 step programs Meanwhile the scope of confessors has widened to include men and women religious and lay spiritual directors Addressing this broad audience Kidder reviews the origins and history of confession from biblical times to the early modern era examines contemporary practices of confession penance and spiritual direction that have emerged in the twentieth century and offers practical considerations for evaluating and improving one's own practice either as confessor or penitent Readers will be grateful for this concise historical overview of confession and Kidder's assurance that despite its undervalued or misunderstood practice this cure of souls is anything but obsolete **The Sacrament of Penance and Religious Life in Golden Age Spain** Patrick J. O'Banion, 2012 Explores the role of the sacrament of penance in the religion and society of early modern Spain Examines how secular and ecclesiastical authorities used confession to defend against heresy and to bring reforms to the Catholic Church Provided by publishers *Kingdom Come* Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson's influence on the Christian church and the consistency of his prayer and work for God's kingdom to come here on earth as it is in heaven With contributions from Isaac Villegas Reggie Williams Willie Jennings Stanley Hauerwas Greg Jones Tim Dickau Chandra Mallampalli Reinhard Hutter Axel Schoeber John Berkman Phil Kenneson AKM Adam Margaret Adam Craig Smith Jen Harvey Jeff Greenman Loren Wilkinson Marilyn McEntyre Anna Robbins Terry Smith Munyamasoko Gato Corneil Mike Pears James Purves Danny Zacharias Mike Swalm Susan Phillips Ross Lockhart Ross Hastings Matt Humphrey Peter Harris Anthony Brown Phil Rolnick Andrew Shepherd Chris Hall Joy Banks Christopher Johnston Soohwan Park **Reinventing Theology in Post-Genocide Rwanda** Marcel Uwizeza, Elisé Rutagambwa, Michel Segatagara Kamanzi, 2023-07-05 The first comprehensive examination of the Catholic Church's role in the genocide against the Tutsi and its attempts at reconciliation From April to July 1994 more than a million people were killed during the genocide against the Tutsi in Rwanda Tutsi men women and children were slaughtered by Hutu extremists in churches and school buildings and their lifeless bodies were left rotting in these sacred places under the deep silence of church authorities Pope Francis's apology more than twenty years later presents the opportunity to reimagine the essence of

the Church the missionary enterprise theology in its multiple dimensions the purification of memory and the place of human dignity in the Catholic faith *Reinventing Theology in Post Genocide Rwanda* critically examines the Church's responsibility in Rwanda's tragic history and opens the dialogue to construct a new theology Contributors to this volume offer moving personal testimonies of their journeys to reconciling the evil that has marred the Church's image bystanders indifference to the suffering despite their claim as members of the Church The first volume of its kind *Reinventing Theology in Post Genocide Rwanda* is a necessary step toward the Rwandan Catholic Church and humanity's restoration of fundamental peace and lasting reconciliation Catholic clergy lay people and human rights advocates will benefit from this examination of ecclesial moral failure and subsequent reconciliatory efforts *Sin and Confession in Colonial Peru* Regina

Harrison, 2014-06-01 A central tenet of Catholic religious practice confession relies upon the use of language between the penitent and his or her confessor In the sixteenth and seventeenth centuries as Spain colonized the Quechua speaking Andean world the communication of religious beliefs and practices especially the practice of confession to the native population became a primary concern and as a result expansive bodies of Spanish ecclesiastic literature were translated into Quechua In this fascinating study of the semantic changes evident in translations of Catholic catechisms sermons and manuals Regina Harrison demonstrates how the translated texts often retained traces of ancient Andean modes of thought despite the didactic lessons they contained In *Sin and Confession in Colonial Peru* Harrison draws directly from confession manuals to demonstrate how sin was newly defined in Quechua lexemes how the role of women was circumscribed to fit Old World patterns and how new monetized perspectives on labor and trade were taught to the subjugated indigenous peoples of the Andes by means of the Ten Commandments Although outwardly confession appears to be an instrument of oppression the reformer Bartolom de Las Casas influenced priests working in the Andes through their agency confessional practice ultimately became a political weapon to compel Spanish restitution of Incan lands and wealth Bringing together an unprecedented study and translation of Quechua religious texts with an expansive history of Andean and Spanish transculturation Harrison uses the lens of confession to understand the vast and telling ways in which language changed at the intersection of culture and religion

Shakespeare's Poetics Sarah Dewar-Watson, 2017-09-18 The startling central idea behind this study is that the rediscovery of Aristotle's *Poetics* in the sixteenth century ultimately had a profound impact on almost every aspect of Shakespeare's late plays their sources subject matter and thematic concerns Shakespeare's *Poetics* reveals the generic complexity of Shakespeare's late plays to be informed by contemporary debates about the tonal and structural composition of tragicomedy Author Sarah Dewar Watson re-examines such plays as *The Winter's Tale* *Pericles* and *The Tempest* in light of the important work of reception which was undertaken in Italy by pioneering theorists such as Giambattista Giraldis Cinthio 1504-73 and Giambattista Guarini 1538-1612 The author demonstrates ways in which these theoretical developments filtered from their intellectual base in Italy to the playhouses of early modern England via the work

of dramatists such as Jonson and Fletcher Dewar Watson argues that the effect of this widespread revaluation of genre not only extends as far as Shakespeare but that he takes a leading role in developing its possibilities on the English stage In the course of pursuing this topic Dewar Watson also engages with several areas of current scholarly debate the nature of Shakespeare s authorship recent interest in and work on Shakespeare s later plays and new critical work on Italian language learning in Renaissance England Finally Shakespeare s Poetics develops current critical thinking about the place of Greek literature in Renaissance England particularly in relation to Shakespeare

Sacramental Theology Bruce T. Morrill,2021-09-09 What motivates practice of the liturgy and sacramental rites of the church Does the worship of God begin and end within each ritual enactment or does the truth and value of sacramental celebration reside in the broader context of Christian life in church and society For more than two decades prominent Jesuit sacramental liturgical theologian Bruce Morrill has explored the promise and problems inherent in the Second Vatican Council s call to renew liturgy s basic purpose namely the glorification of God and the sanctification of people Morrill s fundamental argument is that this ancient Christian principle is of a piece that divine glory and human holiness are so to speak two sides of a single coin The value of liturgy and sacraments is depleted if not lost unless they function within a holistic practice of faith that seeks the upbuilding of ethical lives personal and social With numerous real life examples plus references to current sociological studies the chapters address both modern challenges to and biblical and traditional resources for the celebration of sacramental rites today

Journal ,1883 *Guide for Celebrating® Reconciliation* J. Philip Horrigan,2018-02-16 In the Sacrament of Reconciliation the encounter of the penitent with the mercy of God is one of the most transforming moments in the spiritual life of a Catholic The ritual itself has changed throughout history but the purpose of the sacrament has remained the same to seek the forgiveness of the Lord and to renew one s efforts to live as a faithful and loving disciple of Jesus Christ This resource provides pastoral insights for celebrating individual confession communal Reconciliation services and non sacramental penance services with attention given to liturgical ministries liturgical environment and evangelization **The Limits of Forgiveness** Maria Mayo,2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely
