Haiku—The Sacred Art Margaret D. McGee, 2010-12-30 Have a haiku moment when your mind stops and your heart moves. Writing haiku offers the chance to honor, hold, and fully experience a fleeting moment that takes you out of yourself, a moment that hints at the deeper unity that lies beneath the surface of things.

From Chapter One: In this encouraging guide for both beginning and experienced haiku writers, Margaret D. McGee shows how writing haiku can be a consciously spiritual practice for seekers of any faith tradition or no tradition. Drawing from her experience as a spiritual retreat leader and published haiku writer, McGee takes the mystery and intimidation out of beginning to write haiku. For those already on their way, she provides helpful hints and exercises to broaden and deepen both your haiku artistry and your appreciation of haiku as part of your spiritual life. With humor and encouragement, she offers step-by-step exercises for both individuals and writing groups and shows how haiku can help you pay attention to the world around you, to connect with sacred moments, overcome fear and self-doubt to access your innate creativity, explore and use haiku together with spiritual practices in your own faith tradition, and make haiku a spiritual part of your daily routine.

Majestic Nights Carolyne Wright, 2008 How do Bengali women love in times of social transition and political upheaval? These poems look at how Bengali women tell their truths of the heart and mind through their struggles for equality, opportunity, and recognition in a changing society. The poems follow a subtle trajectory through the stages of love: first love, marriage, separation, aging, and death, and ultimate, supreme, universal love, of which romantic love is an imperfect reflection. Carolyne Wright spent four years collecting and translating Bengali women's poetry. Wright is a poet herself, and her most recent collection is *A Change of Maps*.
