book club on society literature and its marketing and popular culture Contributors ask how readers discuss books judge value and make choices The collection addresses questions of authorship authority and canon in texts connected by theme or genre including the postcolonial exotic disability and representations of the body food books and domesticity In addition book club author Andrew Smith shares his experiences in a fascinating interview [Popular Representations of Development](#) David Lewis, Dennis Rodgers, Michael Woolcock, 2014-01-23 Although the academic study of development is well established as is also its policy implementation less considered are the broader more popular understandings of development that often shape agendas and priorities particularly in representative democracies Through its accessible and provocative chapters Popular Representations of Development introduces the idea that while the issue of development defined broadly as problems of poverty and social deprivation and the various agencies and processes seeking to address these is normally one that is discussed by social scientists and policy makers it also has a wider popular dimension Development is something that can be understood through studying literature films and other non conventional forms of representation It is also a public issue one that has historically been associated with musical movements such as Live Aid and increasingly features in newer media such as blogs and social networking The book connects the effort to build a more holistic understanding of development issues with an exploration of the diverse public sphere in which popular engagement with development takes place This book gives students of development studies media studies and geography as well as students in the humanities engaging with global development issues a variety of perspectives from different disciplines to open up this new field for discussion [Britannica Book of the Year 2008](#) Encyclopaedia Britannica, Inc., 2008-05-01 This yearbook presents information on the dates people events and world affairs of 2007 The section entitled Britannica World Data updated annually presents geographic demographic and economic details **African Women Writers and the Politics of Gender** Sadia Zulfiqar, 2016-09-23 This work examines the work of a group of African women writers who have emerged over the last forty years While figures such as Chinua Achebe Ben Okri and Wole Soyinka are likely to be the chief focus of discussions of African writing female authors have been at the forefront of fictional interrogations of identity formation and history In the work of authors such as Mariama B Senegal Buchi Emecheta Nigeria Chimamanda Ngozi Adichie Nigeria Tsitsi Dangarembga Zimbabwe and Leila Aboulela Sudan there is a clear attempt to subvert the tradition of male writing where the female characters are often relegated to the margins of the culture and confined to the domestic private sphere This body of work has already generated a significant number of critical responses including readings that draw on gender politics and colonialism but it is still very much a minor literature and most mainstream western feminism has not sufficiently processed it The purpose of this book is three fold First it draws together some of the most important and influential African women writers of the post war period and looks at their work separately and together in terms of a series of themes and issues including marriage family polygamy religion childhood and education Second it demonstrates how African literature produced by women writers is explicitly and

polemically engaged with urgent political issues that have both local and global resonance the veil Islamophobia and a distinctively African brand of feminist critique Third it revisits Fredric Jameson's claim that all third world texts are national allegories and considers these novels by African women in relation to Jameson's claim arguing that their work has complicated Jameson's assumptions      **Reading Beyond the Book** Danielle Fuller, DeNel Rehberg Sedo, 2013-04-02

Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs film adaptations big box book stores online bookselling and face to face and online book groups This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organizers The resurgence of book groups has inspired new cultural formations of what the authors call shared reading They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading      *The Rights War in Literature and Culture* Jennifer Rickel, 2025-07-31 Rights War tracks how the human rights framework is weaponized against the oppressed and it makes the case for the central place of literature in understanding this seizure of narrative control While literary humanitarianism depoliticizes suffering and positions the reader as a savior to traumatized Others Rights War shows how contemporary fiction by women of color and queer writers across the African diaspora engage innovative narrative paradigms to address structural inequities It analyzes strategies set out in this literature for disarming savior victimism which it identifies as a pernicious cultural phenomenon in which the powerful proclaim themselves saviors to and victims of those they marginalize As the disassociation of national rights from international human rights and the disconnection of civil and political rights from social and economic rights provoke a contest of victimhood this book offers a renewed argument for the indivisibility of rights and the social justice function of literature      The Routledge Companion to Literature and Class Gloria McMillan, 2021-09-01 The Routledge Companion to Literature and Class offers a comprehensive and fresh assessment of the cultural impact of class in literature analyzing various innovative interdisciplinary approaches of textual analysis and intersections of literature including class subjectivities mental health gender and queer studies critical race theory quantitative and scientific methods and transnational perspectives in literary analysis Utilizing these new methods and interdisciplinary maps from field defining essayists students will become aware of ways to bring these elusive texts into their own writing as one of the parallel perspectives through which to view literature This volume will provide students with an insight into the history of the intersections of class theory of class and invisibility in literature and new trends in exploring class in literature These multidimensional approaches to literature will be a crucial resource for undergraduate and graduate students becoming familiar with class analysis and will offer seasoned scholars the most significant critical approaches in class studies      **Madness in Black Women's Diasporic**

**Fictions** Caroline A. Brown, Johanna X. K. Garvey, 2017-11-04 This collection chronicles the strategic uses of madness in works by black women fiction writers from Africa the Caribbean Canada Europe and the United States Moving from an over reliance on the madwoman as a romanticized figure constructed in opposition to the status quo contributors to this volume examine how black women authors use madness trauma mental illness and psychopathology as a refraction of cultural contradictions psychosocial fissures and political tensions of the larger social systems in which their diverse literary works are set through a cultural studies approach The volume is constructed in three sections Revisiting the Archive Reinscribing Its Texts Slavery and Madness as Historical Contestation The Contradictions of Witnessing in Conflict Zones Trauma and Testimony and Novel Form Mythic Space Syncretic Rituals as Healing Balm The novels under review re envision the initial trauma of slavery and imperialism both acknowledging the impact of these events on diasporic populations and expanding the discourse beyond that framework Through madness and healing as sites of psychic return these novels become contemporary parables of cultural resistance

**Re-Reading Tragic Africa** Amy Rushton, 2024-05-31 Grounded in world systemic analysis this book revisits the literary and social implications of tragedy in relation to global narratives about Africa and within fiction by writers from the continent It argues that working through the full complexity of tragedy helps to identify and challenge plots that depict Africa as reaching a tragic impasse Instead reconsidering tragedy allows for further related interventions including the implications of narratives of development the argument for formally engaging with literary texts that present challenging material reformulations of African political and cultural agency and the possibilities to be found in utopian thinking It claims that contemporary fiction helps to scrutinise the familiar big picture of Africa and create space for discussions about wider political and historical commonalities between the continent and the rest of the world As such the novels discussed in this study are not simply about Africa these fictional narratives position Africa as a central actor within the global history of late capitalism

**Stylistic Approaches to Nigerian Fiction** D. Tunca, 2014-08-07 Drawing on the discipline of stylistics this book introduces a series of methodological tools and applies them to works by well known Nigerian writers including Abani Adichie and Okri In doing so it demonstrates how attention to form fosters understanding of content in their work as well as in African and postcolonial literatures more widely

*Geopolitics and the Anglophone Novel, 1890-2011* John Marx, 2012-04-05 Literary fiction is a powerful cultural tool for criticizing governments and for imagining how better governance and better states would work Combining political theory with strong readings of a vast range of novels John Marx shows that fiction over the long twentieth century has often envisioned good government not in Utopian but in pragmatic terms Early twentieth century novels by Joseph Conrad E M Forster and Rabindranath Tagore helped forecast world government after European imperialism Twenty first century novelists such as Monica Ali Chimamanda Ngozi Adichie Michael Ondaatje and Amitav Ghosh have inherited that legacy and continue to criticize existing policies in order to formulate best practices on a global scale Marx shows how literature can make an important contribution to political and

social sciences by creating a space to imagine and experiment with social organization      *New Perspectives on the Nigeria-Biafra War* Chima J. Korieh, 2021-10-13 *New Perspectives on the Nigeria Biafra War No Victor No Vanquished* analyzes the continued impact of the Nigeria Biafra war on the Igbo the failure of the reconstruction and reconciliation effort in the post war period and the politics of exclusion of the memory of the war in public discourse in Nigeria Furthermore *New Perspectives on the Nigeria Biafra War* explores the resilience of the Igbo people and the different strategies they have employed to preserve the history and memory of Biafra The contributors argue that the war had important consequences for the socio political developments in the post war period ushering in two differing ideologies a paternalistic ideology of co option of the Igbo by the Nigerian state under the false premise of No Victor No Vanquished and the Igbo commitment to self preservation on the other      *Conversations with Chimamanda Ngozi Adichie* Daria Tunca, 2020-08-25 Nigerian author Chimamanda Ngozi Adichie b 1977 is undoubtedly one of the most widely acclaimed African writers of the twenty first century Best known for her insightful fiction viral TED talks and essays on feminism she is also an outspoken intellectual As she puts it in an interview with Lia Grainger in her characteristically straightforward style I have things to say and I ll say them *Conversations with Chimamanda Ngozi Adichie* is the first collection of interviews with the writer Covering fifteen years of conversations the interviews start with the publication of Adichie s first novel *Purple Hibiscus* 2003 and end in late 2018 by which time Adichie had become one of the most prominent figures on the international literary scene As both scholars and passionate readers of the author s work are bound to find out the opinions shared by Adichie in interviews over the years coalesce into a fascinating portrait that presents both abiding features and gradual transformations Reflecting the political and emotional scope of Adichie s work the conversations contained in this volume cover a wide range of topics including colonialism race immigration and feminism Collectively these interviews testify both to the author s ardent wish to strive for a more just and equal world and to her deep interest in exploring our common humanity As Adichie says in her 2009 interview with Joshua Jelly Schapiro When people call me a novelist I say well yes I really think of myself as a storyteller This book invites Chimamanda Ngozi Adichie to tell her own literary story
