Alcoholics Anonymous and the Rockefeller Connection: How John D. Rockefeller Jr. and his Associates Saved
AA Jay D. Moore, 2015-11-25 This book straddles the divide between personal story and period history In his finely researched account Jay D Moore follows the life of a driven genius stock analyst brought to the brink of insanity by alcohol A second thread traces the story of a physician humbled and bewildered by the same struggle Finally the story traverses the path through life of an unimaginably wealthy man telling how he decides to use his treasure to benefit others It has been said that there are no new ideas only history we have not yet learned No new ideas were brought to the Fellowship of Alcoholics Anonymous for everything the co founders and early members did had been done before What they managed to change however was to stick to their knitting The facts presented here help separate the truth from legend as the story of Alcoholics Anonymous and the Rockefeller connection is presented with more depth and analysis than has been brought to the subject before The Musical Record ,1882 Publishers' Circular and Booksellers' Record of British and Foreign Literature, Volume 57, July to December 1892 ,1892 **Fandom Directory** ,1995 Includes lists of fanzines conventions publishing associations clubs dealers and individual fans *English Mechanic and World of Science* ,1920 **Publishers' circular and booksellers' record** ,1841
