writers he worked with in Iowa City and from those who knew him when he was young Editor Jim O Loughlin offers biographical notes on Vonnegut s relationship with each of these figures Since Vonnegut s death much has been written on his life and work but this new volume offers a more generous view of his life particularly his last years In O Loughlin s introduction to the volume he argues that we can locate and understand Vonnegut s best self through his public persona and that in his performance as the kind and humane figure that many of the speakers here knew him as Vonnegut became a better person than he ever felt himself to be Abstract Expressionism Joan M.
