Handbook Of Practical Planning For Art Collectors And Their Advisors:

Handbook of Practical Planning for Artists, Art Collectors, and Their Advisors Ramsay H. Slugg, 2019 Art is an asset of passion as author Ramsay H Slugg begins this invaluable resource yet it has unique and important financial characteristics These elements make art possibly the most difficult asset to incorporate into an overall estate and financial plan This updated and expanded edition of Handbook of Practical Planning for Artists Art Collectors and Their Advisors addresses two essential elements of art ownership planning for the ultimate disposition of the art including how to incorporate the wealth represented by the art into estate and financial planning and the practical considerations for owners of the artwork as they actively collect and plan for the art s eventual disposition Following a brief general discussion of the art market the author introduces and explains a client focused process that can be used when advising collectors Among the steps in the process includes explaining the income estate and gift tax consequences of various options as well as the important and often emotional non tax considerations of collecting and disposing of art The book discusses some charitable solutions available as these are often especially appealing options to many collectors and their advisors As more artists achieve commercial success their planning needs increase as the financial aspects of their work increases Further as artists often leave significant amounts of their work behind inventory and legacy management become especially significant This guide considers the unique issues involved when planning for artists as well as the planning considerations and different tax rules that apply to self created artwork rather than to capital assets which is how works of art held by collectors and investors are classified In addition to providing enlightening case studies the book looks at the roles of other advisors involved in these decisions This guide is written to appeal to all levels of knowledge and accessible not only to trusts and estates professionals but also for the collectors themselves as well as the many other professionals involved including art advisors risk management advisors valuation advisors and financial planners
