Lessons of the Lost Scott C Hammond Phd,2013-06-20 At some point in our lives we have all been lost in a wilderness of some kind whether literal or metaphorical without any direction on how to find our way back home People who have been lost in the wilderness in the workplace or in life can teach us how to go beyond survival and thrive regardless of the nature of our personal wildernesses Publisher **When You Need a Miracle** Ogilvie, Lloyd John,2004 So often the greatest needs in the family at work in relationships go unmet Why Because Christians look only to what is possible in their own limited strength From his longtime pastoral experience bestselling author Lloyd John Ogilvie points readers to our God who can meet every need because He is Lord of the impossible Showing how the men and women of the Bible experienced God s unlimited power and steadfast help Ogilvie challenges Christians to consider their own impossible situations the difficult person the unachievable goal the insurmountable limitation the irredeemable relationship If they risk trusting God to unleash His miraculous strength in their lives believers will find their impossibilities are a prelude to God s amazing possibilities for healing reconciliation and growth Formerly titled *Lord of the Impossible* Hope in Pastoral Care and Counseling Andrew D. Lester,1995-01-01 In this ground breaking book pastoral counselor Andrew Lester demonstrates that pastoral theology as well as social and behavioral sciences has neglected to address effectively the predominant cause of human suffering a lack of hope a sense of futurelessness Lester examines the reasons that pastoral theology and other social and behavioral sciences have overlooked the importance of hope and despair in the past He then offers a starting point for the development of addressing these significant dimensions of human life He provides clinical theories and methods for pastoral assessment of and intervention with those who despair He also puts forth strategies for assessing the future stories of those who despair and offers a corrective to these stories through deconstruction reframing and reconstruction This book will be invaluable to pastoral caregivers who are looking for a vantage point from which to provide care and to pastoral theologians who are seeking to develop a theological lens through which to understand the human condition *The Christian Treasury* J. Johnstone,2022-02-25 Reprint of the original first published in 1867 **Spiritual Victory Over Circumstances** Linda J.
