Written for the divinity student, the beginning or experienced pastor, and the lay person, this helpful handbook offers comprehensive guidance on many important aspects of pastoral care of the hospitalized. **Current Catalog** National Library of Medicine (U.S.), 1992 First multi-year cumulation covers six years 1965-70. **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), *Spiritual Care for Allied Health Practice* Lindsay B. Carey, Bernice A. Mathisen, 2018-06-21 This textbook explains the importance of Allied Health Professionals providing spiritual care and gives applied information on how this can be done. The first book of its kind, it is essential reading for AHPs and students in order to understand how to give holistic and patient-centred care. **Essentials Of Hospital Medicine: A Practical Guide For Clinicians** Andrew Dunn, Navneet Kathuria, Paul Klotman, 2012-11-14 Hospital Medicine is the fast-growing field of Medicine and the importance of hospitalists in the delivery of care and success of hospitals continues to increase. The practice of hospital medicine is both rewarding and challenging; hospitalists need to provide high quality care using the best available evidence in an efficient, cost-effective manner. In recognition of the need for rapid access to essential information, this text provides a concise yet comprehensive source for busy clinicians. Essentials of Hospital Medicine provides detailed reviews of all clinical topics in inpatient medicine, including common diagnoses, hospital-acquired conditions, medical consultation, and palliative care, as well as key non-clinical topics such as quality improvement, tools, approach to medical errors, the business of medicine, and teaching tips. It is the single source needed for hospitalists striving to deliver outstanding care and provide value to their patients and hospitals. **Out of Season** Rev. James M. Munyi, 2017-09-15 One of the aspects of my professional practice and which I have truly owned and enjoyed is writing daily reflections for my coworkers. Herein are assorted reflective subjects to encourage identity focus and meaningmaking in places where we are placed for Kingdom representation. Kingdom citizens must carry their identity wherever they are placed, particularly in the workplace. On the afternoon of Wednesday the 23rd of May 1973, a Kingdom citizen, Justus Mbulikhe, introduced me to King Jesus because he carried his Kingdom identity with him. This fits well with our Kingdom witness: our new identity in Christ Jesus as Christian believers. St Paul, quoting Aratus the Greek poet, puts it beautifully: "For in him we live and move and have our being." Acts 17:28 As a professional chaplain in a hospital context, I help patients, families, and staff discover, utilize, and draw from their own spiritual reservoirs. As I offer compassionate presence, I am sensitively careful to respect individuals' spiritual state. And while I have no personal agenda, I allow my Kingdom identity to speak for itself. I hope that these reflections will nurture the reader's spirit as they

have nurtured mine Spiritual Care Reflections from a Hospice Chaplain Jr. Charles J Lopez, 2015-10-13 From the good sisters and monks of the 11th century hospice care grew through the passions of 20th century people like Dame Cecily Saunders and Elizabeth Kubler Ross and into the recognized modality it is today of compassionate and palliative care for those who are on their final journey from this world Pastor Lopez rightly fills this name as he reaches out not only to patients and their families but the team of nurses doctors social workers and caregivers who offer their hands and hearts to those in need Within these pages you will find practical and compassionate words along with hands and a heart that knows the pain of loss and feet that are willing to accompany the reader on their journey *Air University Abstracts of Research Reports*, 1986 *Descriptive Duties of Deacons* Russell R.
