Prisoners of Hope Nathan McConnell, 2025-05-30 Prisoners of Hope focuses on ecclesiological and practical theological responses to migration asylum seeking and refugee integration and assimilation It considers the relationship between the church and the nation state relative to political asylum by questioning the various responses of Christians who advocate for refugees and asylum seekers in their spheres of influence Prisoners of Hope features how the Church might begin to appraise and address the various socio political strategies employed by nation states which situate migrants in a form of quasi political status as they move from one place to another It holds key benefits for exploring the philosophical and theological intersections of Dietrich Bonhoeffer Giorgio Agamben and Seyla Benhabib and those attempting to ask about treatment of the refugees and asylum seekers Prisoners of Hope will be of particular interest to those attempting scholarly research in the areas of theology religion and migration studies as it investigates the phenomenological experiences of refugees going in and out of detention

as well as arguments relating to porous borders within sovereign national entities Initially the book engages definitions of migration moving onto concepts of State of Exception and Homo Sacer and analysing arguments regarding porous borders and cosmopolitanism Of specific benefit for Christian theology is the second half of the book which examines the importance of vicarious witnessing prayer voicing inclusion worshipping communities and the inclusion of the other Overall Prisoners of Hope is a pertinent addition to those discussing concepts of national sovereignty migrant assimilation asylum seeking hospitality and the juxtapositioning of the foreigner within the often intricate dialogues associated with political entry

Power and Marginality in the Abraham Narrative - Second Edition Hemchand Gossai,2010-01-01 Who will speak for Hagar or Isaac or Sarah or the daughters of Lot With an interpretive trajectory that moves from the margin to the center this book gives voice to the marginalized and voiceless in the Abraham Narratives Further this approach is based on the premise that there is a continuum of power in the various characters in these narratives and that the most powerful are those who are lodged at the center while those with the least power are on the margin or beyond The intent of this study is to direct and perhaps re direct our attention to the text and with fresh eyes seek a sometimes radical realignment of roles and power It is true that many of the characters focused on in this book are women This is not however only a book about women though clearly women are the principal characters on the margin *The Cambridge Companion to Christian Ethics* Robin Gill,2001 Provides a comprehensive introduction to Christian ethics which is both authoritative and up to date **Buddhists and Christians** Fredericks, James L.,2014-04-10 Buddhists and Christians examines Christian teachings about other religions to argue that the next step to dialogue is comparative theology Fredericks asks why the Buddha refused to engage in God talk and suggests that understanding the answer to this question will help Christians and Buddhists to have better communication and to find that God reveals the way to mutual comprehension and deeper solidarity **Power, Value, and Conviction** William Schweiker,2019-05-31 Schweiker s reflections are strikingly original and they ought to be required reading for everyone in the field of theological ethics Douglas F Ottati Professor of Theology and Ethics Union Theological Seminary and Presbyterian School of Christian Education With this new work Schweiker continues his vital exploration of hermeneutical realism responsibility ethics moral formation and the lives we live in our complex late modern cultures This is a bracing complex text that richly rewards those who engage it with the care it requires Jean Bethke Elshtain Laura Rockefeller Professor of Social and Political Ethics University of Chicago and author of Augustine and the Limits of Politics Schweiker has a comprehensive knowledge of contemporary moral thought philosophical and theological applied and theoretical He brings a wealth of material together with a unifying theological perspective that sharpens our questions and renews our hope This is an outstanding achievement Robin W Lovin Dean and Professor of Ethics Perkins School of Theology Southern Methodist University William Schweiker is the Edward L Ryerson Distinguished Service Professor of Theological Ethics at the University of Chicago Born in Des Moines Iowa 1953 he holds degrees from Simpson College Duke University

and also the University of Chicago Besides teaching at Chicago he has also been guest professor at Uppsala University and the University of Heidelberg Schweiker's writings engage theological and ethical questions attentive to global dynamics comparative religious ethics the history of ethics and hermeneutical philosophy Schweiker has published five books numerous articles and award winning essays as well as edited and contributed to six volumes including *A Companion to Religious Ethics* 2004 a comprehensive and innovative work in the field of comparative religious ethics He is currently working on a volume *Religious Ethics Meaning and Method* Ongoing research is for a book on theological ethics and the integrity of life

A Teachable Spirit A. J. Swoboda, 2025-04-29 Being a know it all isn't a fruit of the Spirit But the ancient call of Jesus beckons us to love the Lord your God with all your heart mind soul and strength Matt 22 37 How do we love God with our mind In *A Teachable Spirit* A J Swoboda helps followers of Jesus develop the discipline of teachability In a world marked by distraction mind numbing entertainment endless content polarization and a decreasing desire to humbly learn from those we dislike the way we engage sources of information like news media science and social media content could not be more important Thankfully the Christian faith provides sharp tools and rich traditions for learning how to be the best learners By drawing on his experiences as a professor theologian and lay pastor Swoboda explores the potency of seeing learning as a part of one's spiritual formation to Jesus With the right posture Christians can learn from even the most unexpected places

Toward a Theology of Struggle Eleazar S. Fernandez, 2009-02-01 The *Theology of Struggle* is a genuinely popular Filipino theology rooted in the history and culture of a people who have endured colonial oppression at the hands of Spain North America and Japan as well as neo colonialism and home grown dictatorship Because Christianity has played a role in assisting the history of oppression in the Philippines a theology of struggle must include a struggle in theology to wrest Christian symbols from the hands of the oppressors and return them to the poor This theology which is otherwise expressed in articles poems art and action receives its first systematic treatment in *Toward a Theology of Struggle* In Part One Fernandez establishes the historical and cultural context out of which the *Theology of Struggle* has emerged Part Two represents Fernandez's own constructive work in which he shows how a theology of struggle must address the quest for identity and peoplehood In Part Three Fernandez explores the question of theological method outlining the areas of convergence and distinction between the *Theology of struggle* and other Third World theologies as well as setting forth the distinctive challenge that this theology of the Philippines poses to the authority and dominance of Western theology as a whole

Human Perfection, Transfiguration and Christian Ethics Robin Gill, 2024-05-16

Most people would agree that human perfection is unattainable Indeed theologians have typically expressed ambivalence about the possibility of human perfection Yet paradoxically depictions of human perfection are widespread In this volume Robin Gill offers an interdisciplinary study of human perfection in contemporary secular culture He demonstrates that the language of perfection is present in church memorials popular depictions of sport food music and art liturgy and philosophy He contrasts these examples with the socio psychological concept of maladaptive perfectionism using commercial cosmetic surgery as an example as well as the adaptive perfectionism suggested in the lives of Henry Holland Paul Farmer and more ambivalently Ludwig Wittgenstein Gill then provides an in depth analysis of New Testament and Septuagint usage of teleios and theological debates about the human perfection of Jesus He argues that the Synoptic accounts of the Transfiguration offer a template for a Christian understanding of perfection that has important ecumenical implications within social ethics

Asylum-seeking, Migration and Church Susanna Snyder, 2012 This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established

population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology faith and social action and mission as well as those working in the field of migration **Toward a Latino/a Biblical Interpretation** Francisco Lozada
