By: Rudyard Kipling** Rudyard Kipling, 2016-12-08 *The Light That Failed* is a novel by Rudyard Kipling that was first published in 1890 in Lippincott's Monthly Magazine dated January 1891. Most of the novel is set in London but many important events throughout the story occur in Sudan or India. *The Light that Failed* follows the life of Dick Helder, a painter who goes blind. A play by George Fleming starring Johnston Forbes Robertson, his wife Gertrude Elliott, and Sydney Valentine was first staged in the West End from February to April 1903 and moved on to Broadway in November, making the story more famous. It was made into a 1916 silent film by Path with Robert Edeson and Jose Collins, a 1923 silent film by Famous Players Lasky, and a 1939 film by Paramount starring Ronald Colman as Helder, with Muriel Angelus, Ida Lupino, and Walter Huston. Rudyard Kipling 30 December 1865 18 January 1936 was an English journalist, short story writer, poet, and novelist. Kipling's works of fiction include *The Jungle Book* 1894, *Kim* 1901, and many short stories including *The Man Who Would Be King* 1888. His poems include *Mandalay* 1890, *Gunga Din* 1890, *The Gods of the Copybook Headings* 1919, *The White Man's Burden* 1899, and *If* 1910. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature, and one critic described his work as exhibiting a versatile and luminous narrative gift. Kipling was one of the most popular writers in the United Kingdom in both prose and verse in the late 19th and early 20th centuries. Henry James said Kipling strikes me personally as the most complete man of genius as distinct from fine intelligence that I have ever known. In 1907, at the age of 42, he was awarded the Nobel Prize in Literature, making him the first English language writer to receive the prize and its youngest recipient to date. He was also sounded out for the British Poet Laureateship and on several occasions for a knighthood, both of which he declined. Kipling's subsequent reputation has changed according to the political and social climate of the age, and the resulting contrasting views about him continued for much of the 20th century. George Orwell called him a prophet of British imperialism. Literary critic Douglas Kerr wrote Kipling is still an author who can inspire passionate disagreement, and his place in literary and cultural history is far from settled. But as the age of the European empires recedes, he is recognised as an incomparable if controversial interpreter of how empire was experienced. That and an increasing recognition of his extraordinary narrative gifts make him a force to be reckoned with.
