Lila The Werewolf And Other Tales:

Icons of Horror and the Supernatural S. T. Joshi, 2006-12-30 Horror and the supernatural have fascinated people for centuries and many of the most central figures appear over and over again These figures have gained iconic status and continue to hold sway over popular culture and the modern imagination This book offers extended entries on 24 of the most enduring and significant figures of horror and the supernatural including The Sea Creature The Witch The Alien The Vampire The Werewolf The Sorcerer The Ghost The Siren The Mummy The Devil and The Zombie Each entry is written by a leading authority on the subject and discusses the topic s essential features and lasting influence from the classical epics of Homer to the novels of Stephen King Entries cite sources for further reading and the Encyclopedia closes with a selected general bibliography Entries include illustrations sidebars of interesting information and excerpts from key texts Horror and the supernatural have fascinated people for centuries with many of the most central figures appearing over and over again across time and cultures These figures have starred in the world s most widely read literary works most popular films and most captivating television series Because of their popularity and influence they have attained iconic status and a special place in the popular imagination This book overviews 24 of the most significant icons of horror and the supernatural The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **Peter S. Beagle's "The Last Unicorn"** Timothy S. Miller, 2024-04-09 This book assesses the work of one of the foundational figures of American fantasy Peter S Beagle Through its focused analysis of The Last Unicorn this study contextualises Beagle s work in relation to the popularity of the fantasy genre following its growing success in the aftermath of Tolkien s The Lord of the Rings In addition through reference to the film adaptation of The Last Unicorn and also Beagle s other works this study highlights the author s longevity and the influence that his metafictional and comedic work has had on contemporary fantasy **Chicorel Index to Short Stories in Anthologies and Collections** , 1975 **The Curse of the Werewolf** Bourgault du Coudray Chantal, 2006-08-25 Half man half myth the werewolf has over the years infiltrated popular culture in many strange and varied shapes from Gothic horror to the body horror films of the 1980s and today s graphic novels Yet despite enormous critical interest in myths and in monsters from vampires to cyborgs the figure of the werewolf has been strangely overlooked Embodying our primal fears of anguished masculinity of the beast within the werewolf argues Bourgault du Coudray has revealed in its various lupine guises radically shifting attitudes to the human psyche Tracing the werewolf s use by anthropologists and criminologists and shifting interpretations of the figure from the scientific to the mythological and psychological Bourgault du Coudray also sees the werewolf in Freud s wolf man case and the sinister use of wolf imagery in Nazism The Curse of the Werewolf looks finally at the werewolf s revival in contemporary fantasy finding in this supposedly conservative genre a fascinating new model of the human s relationship to nature It is a required reading for students of
