Lillian Roxon Mother Of Rock:

Mother of Rock Robert Milliken, 2010-06 From the pubs of the Sydney Push to New York's legendary nightclubs Lillian Roxon set the pace for an era that changed the world Audacious independent and fiercely intelligent by eighteen she was cutting her writing teeth in the colourful world of Sydney tabloid journalism She moved to New York in 1959 just in time for a cultural revolution that celebrated youth sexual freedom women's liberation and rock and roll Roxon quickly became the centre of a circle that included Andy Warhol Lou Reed Jim Morrison and David Bowie Linda Eastman confided in her about her first dates with Paul McCartney Germaine Greer dedicated *The Female Eunuch* to her Roxon's *Rock Encyclopedia* published in 1969 was the first book of its kind and established her as a leading chronicler of rock and youth culture When she died suddenly in 1973 she left behind a collection of work full of the energy irreverence and idealism of her times

Lillian Roxon Robert Milliken, 2005 Audacious independent and fiercely intelligent Lillian Roxon cut her teeth as a reporter in the lively world of 1950s tabloid journalism Her rapid success soon saw her interviewing stars like Rock Hudson and Richard Burton She moved to New York City in the 1960s just in time for a cultural revolution that celebrated youth sexual freedom women's liberation and of course rock n roll In New York Lillian was the universally acknowledged queen of Max's Kansas City one of the greatest nightspots ever It was the club where Jimi Hendrix Mick Jagger Janis Joplin and other stars in waiting came to hang out Linda McCartney confided in Lillian about her first date with Paul Germaine Greer knocked on her door for a place to stay The 1969 publication of Lillian's *Rock Encyclopedia* excerpted in this volume confirmed her status It was the first book of its kind and established her as one of America's leading chroniclers of rock culture Here was the queen of Max's Kansas City who ruled the world of rock the only critic to give Lester Bangs a run for his money

Mother of Rock Robert Milliken, 2010 She was the unchallenged queen of the New York rock scene Dorothy Parker of Max's Kansas City Rolling Stone From the pubs of the Sydney Push to New York's legendary nightclubs Lillian Roxon set the pace for an era that changed the world Born in Mussolini's Italy she arrived as a child in Brisbane at the height of the Second World War Audacious independent and fiercely intelligent by eighteen she was cutting her writing teeth in the colourful world of Sydney tabloid journalism and was a key member of the Sydney Push She moved to New York in 1960 just in time for a cultural revolution that celebrated youth sexual freedom women's liberation and rock and roll Embracing the new scene with gusto she became the centre of a circle that included Andy Warhol Lou Reed Jim Morrison and David Bowie Linda Eastman confided in her about her first date with Paul and Germaine Greer dedicated *The Female Eunuch* to her Her *Rock Encyclopedia* published in 1969 was the first book of its kind and established Roxon as a leading critic and chronicler of rock culture When she died suddenly in 1973 she left behind a body of work full of the energy irreverence and idealism of her times Drawing on Roxon's personal papers and extensive interviews with those who knew her *Mother of Rock* is a riveting portrait of an Australian trailblazer It also contains a generous selection of Roxon's own writing including material from her

Rock Encyclopedia which revolutionised the way rock music was perceived **Mother of Rock (16pt Large Print Edition)** Robert Milliken, 2010-11 From the pubs of the Sydney Push to New York's legendary nightclubs Lillian Roxon set the pace for an era that changed the world Audacious independent and fiercely intelligent by eighteen she was cutting her writing teeth in the colourful world of Sydney tabloid journalism She moved to New York in 1959 just in time for a cultural revolution that celebrated youth sexual freedom women's liberation and rock and roll Roxon quickly became the centre of a circle that included Andy Warhol Lou Reed Jim Morrison and David Bowie Linda Eastman confided in her about her first dates with Paul McCartney Germaine Greer dedicated *The Female Eunuch* to her Roxon's *Rock Encyclopedia* published in 1969 was the first book of its kind and established her as a leading chronicler of rock and youth culture When she died suddenly in 1973 she left behind a collection of work full of the energy irreverence and idealism of her times TeenSet, Teen Fan Magazines, and Rock Journalism Allison Bumsted, 2024-10-15 Since the magazine's first issue in 1964 TeenSet's role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music TeenSet *Teen Fan Magazines and Rock Journalism* Don't Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary **The Bulletin**, 2002 Words to Walk by Todd Barr, Rodney John Sullivan, 2005 Unveils Brisbane through the lives and works of the city's best loved authors With 25 scenic walks through Brisbane's literary past and present

Paradise Betrayed John Martinkus, 2002-09-01 In the third Quarterly Essay for 2002 John Martinkus details what is being done to West Papua by its Indonesian overlords He illustrates how those who seek independence are killed and tortured for their cause There is now no one like the Papuan leader Theys Eluay murdered in 2001 by the Indonesian military and a campaign of death and terror has been launched on those who raise the Morning Star flag Martinkus shows how the wealth of the Freeport mine underpins a regimen of repression and he reports on the rise of Laskar Jihad the imported

Islamic extremists who spread fear in the name of Indonesian domination In a powerful groundbreaking piece of reportage Martinkus shows how West Papua is another East Timor waiting to happen and how this is made possible by the indifference of everyone from the United Nations to the Australian government John Martinkus narrative is as engrossing as it is appalling It is full of menace and madness and the smell of death Peter Craven Introduction The violence in West Papua today is being orchestrated by the same figures in the Indonesian military who were behind the events in East Timor the whole repressive network of the Indonesian military that laid it waste John Martinkus Paradise Betrayed Beyond Belief John Button, 2002-02-01 In Beyond Belief John Button looks at what has gone wrong with the Labor Party What has happened to the faith of the True Believers and why is the ALP so bad at recruiting new members He offers a tough minded analysis of what went wrong in the last election and asks why the Labor Party has turned its back on its destiny as a party of reform Here is a very cool account of the factions which seem to stand for nothing but their own power bases and the unions who both give and get little from the ALP In a withering analysis John Button looks at the quality of Labor members and the short sightedness of a party turning its back on ideas This is an essay by a man who still believes in Chifley's light on the hill but who thinks the only hope lies with New Believers Beyond Belief represents one of the coolest and most disheartening accounts of a great political party this country has seen This is the Australian Labor Party seen from the perspective of an elder statesman who has an absolute belief in the moral superiority of the Labor cause but who seriously doubts whether the ALP will ever achieve government again and who distinctly implies that in its present state it is not fit for it Peter Craven Introduction After the election debacle some people blamed the Tampa and September 11 But the simple fact is that the ALP had not built an adequate policy profile or built up sufficient enthusiasm and respect for its style of politics Without these it had no hope of differentiating its position on refugees and asylum seekers from the government's when this became the key issue of the election John Button Beyond Belief This issue also contains correspondence discussing Quarterly Essay 5 Girt by Sea from Alison Broinowski Gerard Henderson John Hirst Philip Ruddock Angela Shanahan Robyn Spencer and Mungo MacCallum **Songbooks** Eric Weisbard, 2021-04-23 In Songbooks critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 New England Psalm Singer to Jay Z's 2010 memoir Decoded Drawing on his background editing the Village Voice music section coediting the Journal of Popular Music Studies and organizing the Pop Conference Weisbard connects American music writing from memoirs biographies and song compilations to blues novels magazine essays and academic studies The authors of these works are as diverse as the music itself women people of color queer writers self educated scholars poets musicians and elites discarding their social norms Whether analyzing books on Louis Armstrong the Beatles and Madonna the novels of Theodore Dreiser Gayl Jones and Jennifer Egan or varying takes on blackface minstrelsy Weisbard charts an alternative history of American music as told through its writing As Weisbard demonstrates the most enduring work pursues questions that linger across time period and

genre cultural studies in the form of notes on the fly on sounds that never cease to change meaning **Beatles Vs. Stones**
 John McMillian,2014-11-11 Spirited insightful and gracefully written this is the definitive account of the friendship and rivalry between the Beatles and the Rolling Stones *The Modern Lovers' The Modern Lovers* Sean L. Maloney,2017-02-09
 From the War on Hippies to the Great Rock n Roll Swindle the story of Modern Lovers is a high octane tale of Brutalist architecture rock n roll ambition and the struggle for identity in a changing world One of punk rock s foundational documents the archetype for indie obsession and all but disowned by its author The Modern Lovers was an album doomed by its own coolness from day one Powered by the two chord wonder Roadrunner and its proclamation that I m in love with rock n roll The Modern Lovers is the essential document of American alienation an escape route from the cultural wasteland of postwar suburbia The Modern Lovers is the bridge connecting the Velvet Underground and the Sex Pistols they were peers of the New York Dolls and friends with Gram Parsons and they would splinter into Talking Heads The Cars and The Real Kids But The Modern Lovers was never meant to be an album A collection of demos recorded in fits and starts as Jonathan Richman and his band negotiate modernity and the music industry It is a collection of songs about a city and a society in flux grappling with ancient corruptions and bright eyed idealism Richman observes a city all but abandoned by adults ravaged by white flight and urban renewal veering towards anarchy as old world social moors collide with new attitudes It is a city stands in stark contrast to the the ranchstyle bedroom community where he was raised All of these conflicts are churned through Richman s intellectual acuity and emotional unrest to create one of the 20th century s most enduring documents of post adolescent malaise *Australia Rocks* Lucy Desoto,2016-10-01 Australian rock music has a rich history of performers and bands that have created not just the soundtrack for Australian lives but have also shaped the international music scene In the early days of the 1950s and 60s Australian rock saw performers like Johnny O Keefe and The Easybeats The 1970s saw Cold Chisel and AC DC among others performing to packed halls locally AC DC turned this into international success blasting through three decades of touring and performing However it was only in the 1980s and 1990s that Australian rock truly made its mark on the international stage with iconic bands such as Men at Work Midnight Oil and INXS Australia Rocks brings the bands and the times to life through unique photographs and evocative text Written by a rock musician it also goes beyond the big names to highlight the many independent often lesser known performers who played such an integral part in shaping the industry and shines a light on how rock music was not only influenced by global events the Vietnam War for example but also formed part of enormous cultural shifts the Swinging Sixties the protest movement etc From the demure dance halls of the 1950s to the smoke filled pubs of the 1970s and the packed concerts of the 1990s and beyond Australia Rocks will have music lovers dusting off their vinyl collection and remembering the good times *Eight Steps To Happiness* Alison Leigh,Anthony M. Grant,2010-10-13 Is happiness really all in the mind Why are some people always happy while others seem doomed to a life of misery Is it love money looks or genes Scientists have discovered that happiness isn t just a

fleeting emotion or a quality that some fortunate people are born with Happiness is a skill that can be cultivated and the positive effects can be seen in our brains bloodstreams and behaviour Eight Steps to Happiness is a practical scientific guide to becoming a happier person in just eight weeks The exercises and activities in Eight Steps are simple but profoundly effective and scientifically proven As the eight volunteers in the ABC TV series Making Australia Happy have shown Eight Steps leads to measurable physiological changes from improved immune function to better sleep and increased physical strength The Eight Steps to Happiness program gives you no nonsense tools to make real change in your life Using these techniques you too can be on the road to a happier healthier and more fulfilled life And be warned happiness is contagious

The Jane Austen Remedy Ruth Wilson,2022-09-22 An empowering memoir of a life reclaimed through reading Moving and inspiring this is a book you want to start reading again as soon as you have finished SUSANNAH FULLERTON Wilson's memoir is essential reading for anyone who wants to experience and understand the unique comfort that Austen's works universally provide NATALIE JENNER Ruth Wilson first encountered Pride and Prejudice in the 1940s and has returned to Jane Austen countless times over the course of a long life After her sixtieth birthday she took the radical decision to retreat from her conventional married life and live alone while confronting feelings of loss and unhappiness As Wilson read between the lines of Austen's six major novels she felt herself reclaiming her voice and her sense of self An uplifting memoir of love self acceptance and the curative power of reading The Jane Austen Remedy is an inspirational account of nine vivid decades unravelling memories and searching for small truths to help explain the arc of a life that has been both ordinary and extraordinary

Sweet Judy Blue Eyes Judy Collins,2011 A folk music icon discusses the height of her career in the 60s her alcoholism her love affair with Stephen Stills and her friendships with Joan Baez David Crosby Joni Mitchell Leonard Cohen and others By the author of Voices *Meanjin*,2006 Meanjin is a quarterly literary journal publishing the best new writing from established voices and emerging talents For over 70 years Meanjin has articulated questions of national importance questions of art culture policy and identity as well as introducing some of the greatest literary names Australia has ever produced
