Linguistic Structures Of Native America Viking Fund Publications In Anthropology:

Linguistic Structures of Native America Harry Hoijer,1965   **Linguistic Structures of Native America** ,1965   **Linguistic Structures of Native America** Harry Hoijer,1967   **American Indian languages and American linguistics** Wallace L. Chafe,Linguistic Society of America. Washington,University of California, Berkeley,Golden Anniversary Symposium of the Linguistic Society of America, 2 ‹1974, Berkeley, Calif.›,2020-02-10 No detailed description available for American Indian languages and American linguistics   **The Languages and Linguistics of Indigenous North America** Carmen Dagostino,Marianne Mithun,Keren Rice,2023-09-05 This handbook provides broad coverage of the languages indigenous to North America with special focus on typologically interesting features and areal characteristics surveys of current work and topics of particular importance to communities The volume is divided into two major parts subfields of linguistics and family sketches The subfields include those that are customarily addressed in discussions of North American languages sounds and sound structure words sentences as well as many that have received somewhat less attention until recently tone prosody sociolinguistic variation directives information structure discourse meaning language over space and time conversation structure evidentiality pragmatics verbal art first and second language acquisition archives evolving notions of fieldwork Family sketches cover major language families and isolates and highlight topics of special value to communities engaged in work on language maintenance documentation and revitalization   Encyclopedia of Linguistics Philipp Strazny,2013-02-01 Utilizing a historical and international approach this valuable two volume resource makes even the more complex linguistic issues understandable for the non specialized reader Containing over 500 alphabetically arranged entries and an expansive glossary by a team of international scholars the Encyclopedia of Linguisticsexplores the varied perspectives figures and methodologies that make up the field   *Language, mathematics, and linguistics* Charles F. Hockett,2019-01-29 No detailed description available for Language mathematics and linguistics   Sound Symbolism Leanne Hinton,Johanna Nichols,John J. Ohala,1994 A study of the relationship between the sound of an utterance and its meaning   **Cross-linguistic Investigations of Nominalization Patterns** Ileana Paul,2014-02-15 The chapters in this volume address current topics in the morphology syntax and semantics of nominalizations drawing on a range of typologically and geographically diverse languages Nominalizations represent a long standing puzzle to linguists How is a noun such as destruction related to the verb destroy The semantic parallel between the deverbal nominalization and its related verb suggests that there is a close connection between the two This volume contributes to the ongoing debates on how to capture this connection and how to account for the apparent mixed categorical status of nominalizations This volume is essential for students and researchers interested in the morphology syntax and syntax semantics interfaces   **The Life of Language** Jane H. Hill,P. J. Mistry,Lyle Campbell,2011-06-24 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical

frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Applicative Constructions in the World's Languages Fernando Zuniga,Denis Creissels,2024-01-29 This book presents a state of the art cross linguistic survey of applicative constructions in the functional typological tradition An introductory section sets the terminological and analytical stage presents the methodology used by the different chapters and provides a typological outlook The individual contributions address the morphological syntactic and semantic variation of applicatives as well as their discourse pragmatic function They cover all major language families and some isolates that feature some illuminating version of the phenomenon paying special attention to language internal variation and unity The phenomena surveyed range from those instances usually considered canonical valency increasing syntactically and semantically predictable productive dedicated and optional to those occasionally understudied in descriptive works and frequently neglected in comparative studies valency neutral rather unpredictable lexicalized syncretic and or obligatory

The Oxford Handbook of Evidentiality Aleksandra I︠U︡rʹevna Aĭkhenvalʹd,2018 The first volume to offer a thorough and systematic account of evidentiality and the expression of information source Illustrated with extensive data from a range of typologically diverse languages Introductory chapter offers practical advice for fieldworkers investigating evidentially Interdisciplinary in nature with insights from typology semantics pragmatics language description anthropology cognitive psychology and psycholinguistics Book jacket **The Oxford Handbook of Evidentiality** Alexandra Y. Aikhenvald,2018-01-18 This volume offers a thorough systematic and crosslinguistic account of evidentiality the linguistic encoding of the source of information on which a statement is based In some languages the speaker always has to specify this source for example whether they saw the event heard it inferred it based on visual evidence or common sense or was told about it by someone else While not all languages have obligatory marking of this type every language has ways of referring to information source and associated epistemological meanings The continuum of epistemological expressions covers a range of devices from the lexical means in familiar European languages and in many languages of Aboriginal Australia to the highly grammaticalized systems in Amazonia or North America In this handbook experts from a variety of fields explore topics such as the relationship between evidentials and epistemic modality contact induced changes in evidential systems the acquisition of evidentials and formal semantic theories of evidentiality The book also contains detailed case studies of evidentiality in

language families across the world including Algonquian Korean Nakh Dagestanian Nambikwara Turkic Uralic and Uto Aztecan   The Origin and Diversification of Language Morris Swadesh,2017-09-04 Morris Swadesh one of this century s foremost scientific investigators of language dedicated much of his life to the study of the origin and evolution of language This volume left nearly completed at his death and edited posthumously by Joel F Sherzer is his last major study of this difficult subject Swadesh discusses the simple qualities of human speech also present in animal language and establishes distinctively human techniques of expression by comparing the common features that are found in modern and ancient languages He treats the diversification of language not only by isolating root words in different languages but also by dealing with sound systems with forms of composition and with sentence structure In so doing he demonstrates the evidence for the expansion of all language from a single central area Swadesh supports his hypothesis by exhibits that conveniently present the evidence in tabular form Further clarity is provided by the use of a suggestive practical phonetic system intelligible to the student as well as to the professional The book also contains an Appendix in which the distinguished ethnographer of language Dell Hymes gives a valuable account of the prewar linguistic tradition within which Swadesh did some of his most important work   *Routledge Library Editions: Linguistics* Various,2021-12-02 Routledge Library Editions Linguistics brings together as one set mini sets or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today International Perspectives this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field   Linguistic Change and Reconstruction Methodology Philip Baldi,2011-06-01 No detailed description available for Linguistic Change and Reconstruction Methodology   **Basic Word Order (RLE Linguistics B: Grammar)** Russell S Tomlin,2014-02-03 This book examines the frequencies of the six possible basic word or constituent orders SOV SVO VSO VOS OSV OVS provides a typologically grounded explanation for those frequencies in terms of three independent functional principles of linguistic organization From a database of nearly 1 000 languages and their basic constituent orders a sample of 400 languages was produced that is statistically representative of both the genetic and areal distributions of the world s languages This sample reveals the following relative frequencies in order from high to low of basic constituent order types 1 SOV and SVO 2 VSO 3 VOS and OVS 4 OSV It is argued that these relative frequencies can be explained to be the result of the possible interactions of three fundamental functional principles of linguistic organization Principle 1 the thematic information principle specifies that initial position is the cross linguistically favoured position for clause level thematic information Principle 2 the verb object bonding principle describes the cross linguistic tendency for a transitive verb and its object to form a more tightly integrated unit syntactically and semantically than does a transitive verb and its subject Principle 3 the animated principle describes the cross linguistic tendency for semantic arguments which are either more animate or more agentive to occur earlier in the clause Each principle is motivated independently of the others

drawing on cross linguistic data from more than 80 genetically and typologically diverse languages Given these three independently motivated functional principles it is argued that the relative frequency of basic constituent order types is due to the tendency for the three principles to be maximally realized in the world s languages SOV and SVO languages are typologically most frequent because such basic orders reflect all three principles The remaining orders occur less frequently because they reflect fewer of the principles The 1 000 language database and the genetic and areal classification frames are published as appendices to the volume   Linguistic Structures of Native America [by] Harry Hoijer [and Others]. Cornelius Osgood,1946   Linguistic Preferences Patrizia Noel Aziz Hanna,Laura Catharine Smith,2021-12-06 Now in Paperback

Edward Sapir, Appraisals of His Life and Work E. F. K. Koerner,1984-01-01 To commemorate the 100th anniversary of the birth of Edward Sapir 1884 1939 this volume brings together a number of papers by distinguished North American scholars appraising the life and work of the world renowned anthropologist and linguist It includes an introduction by the editor a full bibliography of Sapir s scientific writings a detailed index of names and many photographs and fac similes Among the contributors are Ruth Benedict Leonard Bloomfield Franz Boas Joseph Greenberg Mary Haas Zellig Harris A L Kroeber Robert H Lowie David Mandelbaum Morris Swadesh and C F Voegelin

Linguistic Structures Of Native America Viking Fund Publications In Anthropology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Linguistic Structures Of Native America Viking Fund Publications In Anthropology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Linguistic Structures Of Native America Viking Fund Publications In Anthropology has opened up a world of possibilities. Downloading Linguistic Structures Of Native America Viking Fund Publications In Anthropology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Linguistic Structures Of Native America Viking Fund Publications In Anthropology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Linguistic Structures Of Native America Viking Fund Publications In Anthropology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Linguistic Structures Of Native America Viking Fund Publications In Anthropology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but

also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Linguistic Structures Of Native America Viking Fund Publications In Anthropology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Linguistic Structures Of Native America Viking Fund Publications In Anthropology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Linguistic Structures Of Native America Viking Fund Publications In Anthropology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Linguistic Structures Of Native America Viking Fund Publications In Anthropology is one of the best book in our library for free trial. We provide copy of Linguistic Structures Of Native America Viking Fund Publications In Anthropology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Linguistic Structures Of Native America Viking Fund Publications In Anthropology. Where to download Linguistic Structures Of Native America Viking Fund Publications In Anthropology online for free? Are you looking for Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF? This is definitely going to save you time and cash in something you should think about.
