Makaveli The White Book:

The White Book Mackaveli, Makavelli, 2007-10 Most of us believe in information Some believe in truths while others believe in magic Information is what we can see truth is what we feel and magic is what we instinctively know is true On December 4th 1981 the president of the United States issued Executive Order 12333 concerning the activities of the intelligence community Paragraph 2 11 of that order states No employee of the United States Government shall engage in or conspire to engage in assassination But upon learning of the political ties and aspirations of one charismatic young entertainer and philanthropist certain agencies broke that order in the fall of 1996 when the star was killed in a barrage of bullets fired by a confidential informant commissioned for just such an act After a decade of silence the files have been unsealed and the shooter will now be revealed Some call him a hero others say he s a villain and some even call him a god The White Book provides a glimpse at man s perspectives of the cultural history of the United States assassination government cover ups and his perpetual pursuit of what sets us all free the truth *Ego Trip's Book of Rap Lists* Sacha Jenkins, Elliott Wilson, Jeff Mao, Gabe Alvarez, Brent Rollins, 2014-03-25 Ego Trip s Book of Rap Lists is more popular than racism Hip hop is huge and it s time someone wrote it all down And got it all right With over 25 aggregate years of interviews and virtually every hip hop single remix and album ever recorded at their disposal the highly respected Ego Trip staff are the ones to do it The Book of Rap Lists runs the gamut of hip hop information This is an exhaustive indispensable and completely irreverent bible of true hip hip knowledge **The Talking Book** Allen Dwight Callahan, 2008-10-01 The Talking Book casts the Bible as the central character in a vivid portrait of black America tracing the origins of African American culture from slavery s secluded forest prayer meetings to the bright lights and bold style of today s hip hop artists The Bible has profoundly influenced African Americans throughout history From a variety of perspectives this wide ranging book is the first to explore the Bible s role in the triumph of the black experience Using the Bible as a foundation African Americans shared religious beliefs created their own music and shaped the ultimate key to their freedom literacy Allen Callahan highlights the intersection of biblical images with African American music politics religion art and literature The author tells a moving story of a biblically informed African American culture identifying four major biblical images Exile Exodus Ethiopia and Emmanuel He brings these themes to life in a unique African American history that grows from the harsh experience of slavery into a rich culture that endures as one of the most important forces of twenty first century America **Original Gangstas** Ben Westhoff, 2016-09-13 Raw authoritative and unflinching An elaborately detailed darkly surprising definitive history of the LA gangsta rap era Kirkus starred review A monumental revealing narrative history about the legendary group of artists at the forefront of West Coast hip hop Eazy E Dr Dre Ice Cube Snoop Dogg and Tupac Shakur Amid rising gang violence the crack epidemic and police brutality a group of unlikely voices cut through the chaos of late 1980s Los Angeles N W A Led by a drug dealer a glammed up producer and a high school kid N W A gave voice to disenfranchised African Americans across the

country And they quickly redefined pop culture across the world Their names remain as popular as ever Eazy E Dr Dre and Ice Cube Dre soon joined forces with Suge Knight to create the combustible Death Row Records which in turn transformed Snoop Dogg and Tupac Shakur into superstars Ben Westhoff explores how this group of artists shifted the balance of hip hop from New York to Los Angeles He shows how N W A s shocking success lead to rivalries between members record labels and eventually a war between East Coast and West Coast factions In the process hip hop burst into mainstream America at a time of immense social change and became the most dominant musical movement of the last thirty years At gangsta rap s peak two of its biggest names Tupac and Biggie Smalls were murdered leaving the surviving artists to forge peace before the genre annihilated itself Featuring extensive investigative reporting interviews with the principal players and dozens of never before told stories **Original Gangstas** is a groundbreaking addition to the history of popular music NATION BUSINESS Howard Street Hudson ,2014-05-08 **NATION BU** INE unfolds on the game saturated streets of Chicago KASE a swole brotha covered in tats with a 30 000 grill and a fetish for more money and thick women is a major factor in his mob s lucrative drug trade Born and bred on the streets KASE s juice within the Black P Stones reaches from the corner arab store all the way down state to the max joints behind the walls of Illinois prison system While in the joint KASE drew up a one year plan to shake the game with enough money to go legit Well that year has come and gone and KASE still finds himself sitting at the table unable to push his plate away because his plan didn t take into account his greed or his addiction to the dope dealers lifestyle His inability to do so puts not only all he has worked for but his life in jeopardy **Mammoth Books presents Missing Persons and Mysterious Deaths** Jon E.
