Making A Literary Life:

Making a Literary Life Carolyn See, 2007-12-18 As Carolyn See says writing guides are like preachers on Sunday there may be a lot of them but you can't have too many and there's always an audience of the faithful And while Making a Literary Life is ostensibly a book that teaches you how to write it really teaches you how to make your interior life into your exterior life how to find and join that community of like minded souls you're sure is out there somewhere Carolyn See distills a lifetime of experience as novelist memoirist critic and creative writing professor into this marvelously engaging how to book Partly the nuts and bolts of writing plot point of view character voice and partly an inspirational guide to living the life you dream of Making a Literary Life takes you from the decision to become a writer to three months after the publication of your first book A combination of writing and life strategies do not tell everyone around you how you yearn to be a writer send a charming note to someone you admire in the industry five days a week every week for the rest of your life find the perfect characters right in front of you Making a Literary Life is for people not usually considered part of the literary loop the non East Coasters the secret scribblers With sagacity a magical sense of humor and an abiding belief in the possibilities offered to ordinary people living ordinary lives Carolyn See has summed up her life's work in a book so beguiling irreverent and giddily inspiring that you won't even realize it's changing your life until it already has
