welcomed by descendants of Norwegian emigrants that settled in many areas of the United States It has been discovered and enjoyed by other ethnic backgrounds in recent decades The purpose of such a book is to renew the art of making lefse back in to the families whose grandmothers made it several generations ago If one hasn't made lefse a recipe is needed and the procedure must be simple to follow Such is this step by step instruction book Besides illustrated instructions this book contains four recipes two using potatoes one using potato flakes and one using mashed potatoes from a previous meal The potato flake recipe saves the time and toil of preparing the potatoes to a riced consistency which is the primary product in the dough The book contains countless tips throughout the instructions It is indeed a complete guide in making lefse My Favorite Recipes: Blank Recipe Book - Make Your Own Custom Cookbook - Mushroom Sarah Moulton, 2019-01-25 Create your own baking recipe book filled with personal recipes This fill in the blank comes with alternate recipe and dot grid pages for you to write your own recipes and include any notes or photos you want Great as a gift or for yourself Extra large format at 8 5x11 inches for plenty of writing space Numbered pages and table of contents for you to record your recipe names and page number Fill in your ingredients methods servings and other useful information Cute food themed cover **My Favorite Recipes: Blank Recipe Book - Make Your Own Custom Cookbook - Mushroom Red Cap** Sarah Moulton, 2019-01-25 Create your own baking recipe book filled with personal recipes This fill in the blank comes with alternate recipe and dot grid pages for you to write your own recipes and include any notes or photos you want Great as a gift or for yourself Extra large format at 8 5x11 inches for plenty of writing space Numbered pages and table of contents for you to record your recipe names and page number Fill in your ingredients methods servings and other useful information Cute food themed cover
