English Mechanic and Mirror of Science and Art,1917 *Call It Like It Is* Jonathan Kaplan,2014-06-05 The world of the international rugby referee has always been a closely guarded secret until now As a Durban schoolboy Jonathan Kaplan watched rugby at Kings Park every Saturday dreaming of

the day he would represent his country Now three decades later and at the age of 47 he reflects on the career highs and lows that saw him retire as the most capped international Super Rugby and Currie Cup referee of all time But records and milestones are just a part of an intriguing memoir that affords the reader a rare glimpse into the world of international refereeing and what lies behind that enigmatic penetrating glare that is as typical of Jonathan Kaplan as his silver grey patch of hair In *Call It Like It Is* Kaplan describes exactly what it takes to be an international rugby referee his gradual climb to the top the sacrifices he had to make in his personal life his struggle with injuries and rugby management the toll an itinerant lifestyle exacted upon him and much much more But this is not only an autobiography Kaplan also offers his opinion on the role of technology in rugby dissects his own successes and failures debates the selection and assessment of referees and yes gives his take on the 2011 Rugby World Cup and the Bryce Lawrence affair Containing all the guts and glory you d expect from an epic rugby tale this is also the frank and forthright account of a man who both in life and on the pitch would only ever call it like it is

ANGER ANTHEM JERRY MICHAEL

GRIMES,2013-04-08 I AM UNSURE HOW TO BEGIN as I have started and stopped more than I care to admit Sometimes stopping out of fear I have written chapters that will never see the light of day Sometimes starting out of anger I am frustrated by my own ramblings as rage can only take me but so far There truly is no safe place to pour out my soul and I once found solace in the new thoughts I could entrap somewhere between the notepad and the printed page I cannot and will not promise that what follows will not again result in the incoherent self indulgent ramblings of an humbled narcissist My

insecurities and anger betray me at every turn insecurities stemming from my blackness my Southernness and my aloofness anger resulting from having loved one who cheated the resentment fashioned from being hated by my own and even more hated by those who disown me I am a black Baptist from a low income background in the eyes of this world I am less than nothing My mother and father gave me all they had and did not have as I was protected by my older brother and older sister who I love more than life Then there is my native United States which I love despite some ugly realities that have left me beyond jaded I over compensate I over extend and I resentfully show compassion to the racists I despise I have feigned the personality of the misogynists I detest I have pretended to share the exaggerated fears of the xenophobes I dread and given silent ascent to the homophobes I pity I am angry I am angriest with myself I am in all likelihood one of the angriest men in the history of history And as if unto death I offer to the world my past my heart my failures and my abandoned hopes without precondition I am far too much of a coward to commit suicide just yet and have reached a breaking point in which I must either air my grievances with myself and this world or finally amass the courage to exit this place My detractors will undoubtedly say Then Jerry please do us all a favor stop whining and kill yourself already However as Neil Young remains on this side of eternity I am best off staying put for the time being Yet I would console my detractors my assuring them that should this work be published I will lose my fianc I will lose the congregation I pastor I will lose my house I will lose what passes for my assets I will lose yet another opportunity to complete my doctorate I will lose those persons who risked so much in daring to befriend me and short of being pronounced dead by a physician will possess all the characteristics of a fresh corpse I now present to you my anger anthem
