The Edsel and I Jil Carlson, 2012-08 The sixties were the heyday of baby boomers from the last war to end all wars. Unfortunately, they were just in time for another war, the Vietnam conflict, that was even more senseless than the previous wars before it. Rebellion surfaced in flower children, long-haired hippies, psychedelic posters, and a new type of music. The Beatles were the royal leaders setting the pace for the dynamic 60s.

Music and Technology James E. Perone, 2022-05-18 This book introduces readers to the most significant technological developments in music making and listening, including such topics as metronomes and the development of music notation, as well as synthesizers, the latest music collaboration apps, and other 21st-century technologies. Rather than focusing on technical and mechanical details, *Music and Technology: A Historical Encyclopedia* features the sociological role of technological developments by highlighting the roles they have played in society throughout time. Students and music fans alike will gain valuable insight from this alphabetized encyclopedia of the most significant examples of technological changes that have impacted the creation, production, dissemination, recording, and/or consumption of music. The book also contains a chronology of milestone events in the history of music and technology, as well as sidebars that focus on several key individual musicians and inventors.
