at a moments notice Grab your copy of The Job Hunter s Handbook and follow all the instructions Do this and you can avoid a lengthy period of unemployment Actually put yourself in the position of always anticipating a worse case scenario Do this and you will avoid stress knowing full well that a new job is just a few days away That s the problem with most employment issues People just wait around for the axe to fall and then they have to become re active because they don t have a clue where to begin When laid off the first place most people go is to the classified section of their newspaper That may be okay but there is so much more that can be done The Job Hunter s Handbook will show you How to identify your skill set How to hunt for a job Define your objective Prepare a professional resume 7 Steps to improve interviewing skills How to use networking to accomplish your task Job seeker FAQs Thinking outside of the box Finding a job should not create a stressful environment The Job Hunter s Handbook will be there to help you if you do lose your job but better yet use it to keep yourself in a pro active mode so you can immediately put the principles to work when the axe falls The peace of mind is well worth the few bucks to be prepared Happy hunting Tag job hunt book job hunter s workbook job hunters survival guide job hunting job hunting for dummies job hunting for the so called handicapped job hunting handbook job hunting in 2017 job hunting online job hunting over 50 job hunting posters     **Knock 'em Dead** Martin John Yate,1992 Help for putting the paperwork together negotiating salary to your best advantage and answering tough interview questions
