[The Layman's Manual on Christian Apologetics](#) Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In *The Layman's Manual on Christian Apologetics* the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God's existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity *The Layman's Manual on Christian Apologetics* delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable

Defending Your Faith Dan Story, 2019-03-26 Whether you want to grow in your own understanding of Christianity or need trustworthy responses to the questions of friends Dan Story has the answers *Defending Your Faith* helps Christians see that their faith is reasonably and intelligently grounded on objective verifiable evidence And it equips readers to share these

answers with family friends and coworkers who have questions about Christianity Story's book has filled a valuable niche in apologetics for the past twenty years. He has helped countless readers answer confrontational questions such as How do I know that God exists? Can I trust the Bible? Why is there evil and suffering in the world? Is God an environmentalist? Are the Bible and science in conflict? In this revised and expanded edition Dan Story goes even further. With the latest apologetic evidence and tactics he not only answers those age-old questions but also deals with new challenges to Christianity that have emerged over the last two decades including the ubiquitous presence of social media. He also responds head-on to the new breed of vocal aggressive man-on-the-street atheists. With culturally relevant strategies and a firm foundation of truth *Defending Your Faith* will challenge you to share your faith with others while knowing that you are not alone as you witness for Christ.

Threshold: Aperture to the Light of the World, *Religion, Supernaturalism, the Paranormal and Pseudoscience* Homayun Sidky, 2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a comprehensive rejoinder to the challenges posed to science scientific anthropology evolutionary theory and rationality by the advocates of supernatural paranormal and pseudoscientific perspectives and modes of thought associated with the current rise of irrationalism anti-intellectualism and emboldened religious fundamentalism and violence. Drawing upon H. Sidky's scientific anthropological background and ethnographic field research of supernatural and paranormal beliefs and practices in several cultures over three decades the book answers several important questions: Why do humans have a proclivity for the supernatural and paranormal thinking? Why has humanity remained shackled to sets of ideas inherited from a violent past that have no basis in reality and which bestow an illusionary solace, promote bloodshed, endless cruelties and fervent hatreds and have come at a high cost? Why have ancient superstitions been held as sacred inviolate truths while other aspects of the archaic belief systems of which they were a part have long been discarded? Why have not humans outgrown religion and paranormal beliefs?

In His Name E. Christopher Reyes, 2010-05-14 Introduction Paganism and Christianity Donation of Constantine Destruction of the Old Testament and Talmud Celibacy Doctrine of Demons 1 Corinthians 9:5 1 Timothy 4:3 American Christianity Bible Crucifixion Confession Crusades Death penalty Capital punishment Right of the Sword Earth is flat Emperor Constantine Early Vegetarian Christians Fire God is White Conclusion For nearly two millennia Christianity has been compulsory its will mandated upon their unsuspecting victims taunting them persecuting them imprisoning them torturing them and if need be murdering them. Few records survive regarding the true history of Christianity that are not written by dogmatic Christian writers; almost all historical documents manuscripts and scrolls disagreeing with Christian interpretations of Scripture having been lost or destroyed. The First Crusade after a rough beginning the Beggars Crusade 1095-1099 is composed of thieves and beggars finally managed to capture Jerusalem and much else beside setting up a series of Crusader states to protect their gains. These managed pretty well until 1144 when the counterattacking Muslims took a couple of important Christian strongholds. Many Franks had been sent on the crusade as penance for atrocious offenses such

as rape and murder and reverted to their unpleasant habits Pilgrims were a natural prey though one of the principal objects of the crusade had been to make the Holy Places safe for them The Monks of War D Seward p 33 Today the Vatican in all its glory in all its magnificence in all its entire splendor stands as a tribute to the overwhelming magnitude of the crimes of the Church in its quest for world dominance Its history veiled in religious platitudes to appease the ignorant masses that often know little or nothing of the heinous crimes committed in the name of Jesus Christ their God and Savior **Crumbs from a Bum** Matthew B. Wincowski,2014-09-16 Finding a coherent set of answers to lifes age old questions can be an onerous undertaking Yet the questions abound in our culture and a rational collection of answers is seemingly ungraspable Commoners have been led to believe that beliefs are irreversibly inconsequential Youngsters are boldly instructed to merely seek success Teachers unblushingly preach to students that there is no such thing as truth With uncountable opinions and beliefs put forth who ought we to trust Should we give credence to the preachy words of secularists who do not even have the backbone to adhere to a logically consistent worldview Are we to trust the pop psychologists who unmindfully and unabashedly bypass lifes essential questions Would it be shrewd of us to subscribe to the pluralists who lack the decency to study incommensurable worldviews yet absurdly accept contrasting worldviews as equally valid Whom shall we trust In a culture where common sense has commonly vanished amongst commoners we would do well to welcome common sense into our lives Thinking episodically has become the modern routine and yet such a routine suffocates us in the ruins of our own lack of thinking for thinking episodically is really no way of thinking at all Perhaps just perhaps the answers to lifes most pressing questions are within our reach but first we must be willing to embrace common sense Teaching Manual for Great Catholic Writings J. D. Childs,2006 Includes an introduction for each writing suggested grade levels related themes review questions and answers suggested activities and discussion ideas **Christianity and the Future** Mary Jean Richardson,2011-04-07 THE END TIMES SERIES A set of two books designed to warn and prepare Christians for the dangerous days ahead BOOK 1 Christianity and the Future The churches of Christianity have become divided As dark forces push the world toward the End Times only Christian unity can bring people to Christ Christianity and the Future uses a new reference frame for mapping conflicting Christian postures to discover ways to unite Christians churches and denominations by resolving divisive topics Christians can agree upon a common understanding of God s will as presented in the Holy Bible and revealed through the Holy Spirit The Biblical Trinity Brandon D. Smith,2023-05-24 The Trinity is God as revealed in the Bible The Bible doesn t give us a systematic statement of the doctrine of the Trinity But that doesn t mean the Trinity is not biblical In The Biblical Trinity Encountering the Father Son and Holy Spirit in Scripture Brandon D Smith proclaims the Trinity from the Bible The doctrine arises not from a handful of prooftexts but from the fullness of what the Bible says about God Through short reflections on fifteen key New Testament passages Smith shows how God s word reveals the Trinity The book concludes with three rules for how to encounter the truth and beauty of our Triune God in all of Scripture **Without**

a Doubt Kenneth Richard Samples, 2004-07 Without a Doubt provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian seeker and skeptic alike

Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God s salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism s exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism

From Sin to Disease Jonathan K. Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling The Big Book of AA and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue

The One Who Is Dr. Kenny Rhodes, 2015-02-27 This book is a comprehensive and concise treatment of the philosophical theological and biblical issues related to the doctrine of God Within its pages the nature existence and tri unity of God are presented in an understandable and clear manner The authors objective was to hold in highest regard the text of Holy Scripture while reflecting the biblical position of the historic orthodox faith The books tone is polemic and passionate sincere and scholarly with a commitment to communicate the truth of Gods Word with simplicity and profundity Also between its covers you will find a wealth of information with numerous references and explanatory notes for clarification and further personal study The book is arranged around the concept of the term logos

which suffixes many other words and turns them into fields of study as in the phrase theology Theos logos The term Logos refers to the concepts of epistemology ontology and hermeneutics Applied to the doctrine of God its organization deals with Knowing God the Being of God and Communicating God This corresponds to Thomas Aquinas approach to understanding God in the questions what is God we define God by negation what He is not how do we know God we know him by His effects how do you communicate or explain God God is communicated to us by His names that is His attributes The book furthermore presents a classic and newly reworked argument for the existence of God called the Existential Argument which is based on the notion of being

Jesus, Interpreted Matthew J. Ramage, 2017 In this sequel volume to his Dark Passages of the Bible CUA Press 2013 author Matthew Ramage turns his attention from the Old to the New Testament now tackling truth claims bearing directly on the heart of the Christian faith cast into doubt by contemporary New Testament scholarship Did God become man in Jesus or did the first Christians make Jesus into God Was Jesus resurrection a historical event or rather a myth fabricated by the early Church Will Jesus indeed return to earth on the last day or was this merely the naive expectation of ancient believers that reasonable people today ought to abandon

Can Christians Prove the Resurrection? Sandoval Chris Sandoval, Chris Sandoval, 2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In Can Christians Prove the Resurrection the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place

Children of Abraham Michael S. Pendergast, 2012-05 It all began with Abraham and with his son Isaac and his older brother Ishmael The question in dispute today is where it all ends or should end Does history lead us to a particular descendent of Ishmael Mohammed of Mecca and the religion he founded Or does it lead instead to a descendent of Isaac Jesus of Nazareth and a competing religion Christianity Is there any hope of discovering which of the alternatives is the true path that we should embrace and follow There is For the Holy Book of one religion sets out a test consistency and then fails to pass it in a spectacular fashion The Scriptures of the other religion however sets out a different test meeting prophecy and then stuns us by flawlessly passing not only it but other books test as well Step inside this short manuscript and we will journey through history examining the lives of Abraham Mohammed and Jesus and the religion each was intimately associated with As we do

so we will make some amazing discoveries that may perhaps change forever your ideas about who Jesus and Mohammed were and what Judaism Christianity and Islam are all about *Spiritual Survival in the Modern World* Andrew Dean Swafford, 2016-12-02 In this work Dr Swafford opens up the wisdom of C S Lewis Screwtape Letters From challenges at home evangelization overcoming anxiety doubt prayer and becoming other centered these and many other struggles a Christian is bound to face show up in these pages What unites this book is Swafford s ability to untwist the demonic plan to keep us down and bring us to despair Truly this work provides a roadmap for spiritual survival in the modern age one that will empower us to live a life of joy and peace right now
