With her high heels and elegant style she stands with her strong temperament firm in her opinions. THE SON OF SILENCE: SHE WATCHED THE WORLD BURN, AND STILL CHOSE TO GIVE BIRTH. Eros Jaideven, 2025-05-30 She watched the world burn and still chose to give birth This is not a book about faith This is a book about what comes after the faith breaks About what's left when prayers fade into silence and silence answers back The Son of Silence revisits an ancient story through a radically human lens You think you know the tale You've heard it before in temples in whispers in dusty pages written by men But this time it's the silence that speaks This is the journey of a woman silenced by history A man torn between divine expectation and human emotion A love that shouldn't exist yet grows in the shadows of trauma and prophecy In this version saints are not untouchable Angels don't always come

with wings And demons often wear the face in the mirror You ll meet characters who bleed who doubt who ache for a peace that never comes You ll walk through pages that echo with ancestral wounds forbidden desire and sacred contradictions There is romance here raw broken beautiful There is drama not made of miracles but of the cost they leave behind And there is emotion pulsing in every word every choice every silence Each chapter peels a layer of myth to reveal the skin underneath The tenderness of rebellion The softness inside the scream The moment a mother decides to hold her child even when she knows the world is unworthy This book does not promise answers It won t make you feel safe But it will make you feel Because before there were gods prophets or wars There was a woman And her silence And a son who came from both This is The Son of Silence And if you think you know the story you haven t heard it like this
