The Things I Learned After Being Kicked Out of Church Darla Hannah Melancon, 2010-08 This book is written for individuals that have felt alienated from God because the church failed After our son was sexually molested by another member of our church Richard and I looked to our pastors to help us navigate through trauma and pain that such an event produces Not only were our pastors ill equipped to direct us toward healing they were unable to express empathy or support Their solution was a don't talk rule and just forgive directive When these failed to satisfy us the senior pastor stated he would released us to find healing somewhere else In other words we were KICKED OUT OF CHURCH Like so many people that have been wounded by the church or church people our children were ready to just walk away from the church and the Lord After all how do you separate the two These were the only pastors our children had ever known Our pastors had taught us to view the church as family They had repeatedly reminded us We were in covenant relationship with the Lord and each other Yet when life got ugly they couldn't wait to get rid of us How do you separate the truth from the lies after such rejection Richard and I have a relationship with the Lord Jesus Christ that precedes our joining that church We knew that Jesus had not treated us so coldly We were not willing to walk away from Jesus Yet we too needed to learn to separate Jesus from religious tradition and religious people This is a recounting for that journey of learning to separate the God that loves us from the church that so often misrepresents Him May it give you hope

Free at Last! Lawrence A. Pile, 2019-07-22 The book is a straightforward commentary on the New Testament book of Galatians proceeding mostly verse by verse I make frequent application to the ways contemporary cult leaders and teachers and spiritually abusive pastors misinterpret and misapply the teachings of the scriptures
