Baars, 2016-03-30 This timeless classic *Born Only Once* describes the emotional turmoil of many persons and offers hope for healing through the author's compassionate understanding of their deepest wounds Psychiatrist Conrad Baars discusses this inner unrest in terms of the fundamental human need for unconditional love or affirmation When children have been denied the gift of themselves through affirmation to a greater or lesser degree they continue to look for this unconditional love and later as adults suffer from deep feelings of inferiority inadequacy uncertainty and insecurity as well as having difficulty relating to others Baars describes how authentic affirmation strengthens a person to feel secure and happy in himself able to confront the world and to relate to others with confidence Affirmation is what unaffirmed persons and those with Emotional Deprivation Disorder need to feel at peace strong and secure in their own identity Baars lists many things that unaffirmed persons can do to help themselves but it is hoped that the reader will be moved to lead an authentically affirming life by being open to the goodness of persons things nature ideas etc This simple way of being of openness to being moved can bring peace and resolve difficulties *Talitha Cumi "Little Girl, Arise!"* Greg Violi, 2020-12-29 *Talitha Cumi Little Girl Arise* is an unveiling of the image of God and the utter importance of women taking their true place in the heart of the Father As women discover the real meaning of hard to understand scriptures they will be enthralled with both Paul and Father God's love for them While reading this revelatory book the reader will be totally convinced that the Apostle Paul was not a misogynist but instead he had a deep appreciation and love for all female members of Christ's body The truths contained within this book will dispel confusion and instill a great honor in the men for their wives and sisters These same truths will drive out all discouragement in the women and fill them with joy and excitement about the Father creating them as a woman Never again will these

precious ones feel negative about themselves and their role on the earth Marriages will be healed inner wounds mended and the body of Christ the Ekklesia will enter more fully into its divine purpose through the divine revelation that is contained in this book The necessity of the full image of God will be understood and with that the importance of revealing the fulness of Christ in His risen glory through each member Some of the important life changing truths covered are honor pride s power to block all understanding of the true meaning of the Scriptures and the main reason women are hindered and mistreated within the world While reading about the hidden and unknown teaching called hatred for weakness the reader will find answers to many questions Thank you for purchasing this book dear reader and I promise that as you allow these truths to enter into you you will never be the same Winston Churchill Andrew Norman,2020-01-31 Sir Winston Leonard Spencer Churchill is known chiefly for his leadership of the United Kingdom during World War Two He served as Prime Minister from 1940 to 1945 and again from 1951 to 1955 A noted statesman and orator Churchill was also an officer in the British Army a historian writer and artist To date he is the only British Prime Minister to have received the Nobel Prize in Literature and the second person to be recognized as an Honorary Citizen of the United States During his army career Churchill saw military action in India the Sudan and the Second Boer War He gained fame and notoriety as a war correspondent and through contemporary books he wrote describing the campaigns He also served briefly in the British Army on the Western Front in World War One commanding the 6th Battalion of the Royal Scots Fusiliers At the forefront of the political scene for almost fifty years he held many political and cabinet positions After losing the 1945 election he became Leader of the Opposition In 1951 he again became Prime Minister before finally retiring in 1955 Upon his death the Queen granted him the honor of a state funeral which saw one of the largest assemblies of statesmen in the world This unique images title contains many rare and unpublished photographs of Churchill throughout his military and political career *Human Dignity and Human Security in Times of Terrorism* Christophe Paulussen,Martin Scheinin,2019-12-09 In this book it is explained that despite a current drop in the number of deaths terrorism should still be considered a serious and widespread problem However the responses to this phenomenon are often more problematic from a long term perspective With the human rights framework under serious pressure this edited volume offers a timely important and critical in depth analysis of human dignity and human security challenges in the lead up and in the responses to current forms of terrorism It aims to map how human dignity and human security can be secured and how law can constitute a source of trust at a time when Europe and the rest of the world continue to be plagued by terrorism The authors are both established names and upcoming talent in this fastchanging and exciting field of law They thoroughly analyse a variety of topical subjects in more conceptual chapters for example calling for the humanisation of the security discourse and in highly practical contributions in which for instance the Kafkaesque situation in which rendition and torture victim Abu Zubaydah still finds himself today is considered This book which focuses on but is not limited to the situation in Western countries aims to inspire not only academics through further

theorisation on the sometimes elusive but important concepts of human dignity and human security but also practitioners working in the field of countering terrorism It will hopefully convince them even more that following a human rights approach will be indispensable in securing human dignity and human security for all Even or in fact especially in times of terrorism Christophe Paulussen is a Senior Researcher in the Research Department of the T M C Asser Instituut in The Hague The Netherlands and Martin Scheinin is Professor of International Law and Human Rights in the Department of Law of the European University Institute EUI in Florence Italy
