Healing Stories For Challenging Behaviour:

Healing Stories for Challenging Behaviour Susan, 2012-12-07 Healing Stories for Challenging Behaviour brings together the fruits of Susan Perrow's work in storymaking. It is richly illustrated with lively anecdotes drawn from parents and teachers who have discovered how the power of story can help resolve a range of common childhood behaviours and situations such as separation anxiety, bullying, sibling rivalry, nightmares and grieving.

Therapeutic Storytelling Susan Perrow, 2012 Working with imaginative journeys and the mystery and magic of metaphor, the author has developed the art of therapeutic storytelling for children's challenging behaviour.

Stories to Light the Night Susan Perrow, 2021-02-09 More than 90 healing stories for telling during difficult times, written and collated by acclaimed therapeutic storyteller Susan Perrow, including 30 contributions from different cultures and countries worldwide. The book covers issues of grief, bereavement, separation and loss. Chapters include: Loss of a Loved One, Loss of Place, Loss of Family Connection, Loss of a Pet, Loss of Health and Well-being, Other Kinds of Loss, Environmental Grief and Loss, Cycles of Life and Change, plus Patterns and Templates for Extension Activities provided for some of the stories.

A-Z Collection of Behaviour Tales Susan Perrow, 2019-09-19 A collection of 42 family-friendly behaviour tales to tell to children aged 3-9 years to help children with life challenges and behaviour issues. Each story in this collection begins with an undesirable or out-of-balance situation and through the use of metaphor and an imaginative story journey leads to a more desirable resolution. In this way, the stories also have the potential for nurturing positive values.

Healing Storytelling Nancy Mellon, 2019-12-02 The healing power of stories is a strong antidote to today's electronic screen world. Storytelling is an engaging, meaningful way of sharing our thoughts and feelings. As a path of self-development, storytelling awakens archetypal experiences, symbols and forces within for healing oneself and others. Nancy Mellon shows how to create a magical atmosphere for the telling of tales, how to use movement and direction within a story, how to set a storyscape, beginnings and endings, how to best use the rhythms of voice. Here are also the more subtle ingredients of storytelling, including moods, the elements, seasons and the symbolism of magic words, objects and weapons which represent the external and archetypal forces in our world.

A Woman's Path Almut Bockemühl, 2009 A woman who wishes simultaneously to find herself as an individual and to devote herself to motherhood is caught between two extremes that are hard to reconcile: how to integrate motherhood with one's deepest personal aims. Women today face the challenge of integrating the frequently conflicting demands of motherhood, partnership, work and personal development. Writing from the experience of thirty-three years of marriage and raising four children, Almut Bockemühl is well qualified to understand the predicaments that women face and to offer empathy based on first-hand knowledge. Moreover, this book offers profound spiritual direction for each woman seeking to meet the challenges of her unique biography. At the heart of the dilemma is family care and the need for individual expression in a creative capacity, self-discovery and achieving personal goals. The natural desire for children does not always mean a love of housework. Bockemühl

studies such conflicts in women s biographies and reflects on the history of feminism She also discusses the mythical roots of motherliness and patriarchy as well as the mothering instinct itself exploring the spiritual dimension and meaning of motherhood the profession of homemaking successful relationships and clashes between personal life and career The central theme of this enlightening handbook is an inspiring path of personal development for mothers and women everywhere
