Health Care In Canada A Citizens Guide To Policy And Politics

Shawn Whatley, MD

Health Care In Canada A Citizens Guide To Policy And Politics:

Health Care in Canada Katherine Fierlbeck, 2011-04-09 Health Care in Canada examines the challenges faced by the Canadian health care system a subject of much public debate In this book Katherine Fierlbeck provides an in depth discussion of how health care decisions are shaped by politics and why there is so much disagreement over how to fix the system Many Canadians point to health care as a source of national pride others are highly critical of the system s shortcomings and call for major reform Yet meaningful debate cannot occur without an understanding of how the system actually operates In this overview Fierlbeck outlines the basic framework of the health care system with reference to specific areas such as administration and governance public health human resources drugs and drug policy and mental health She also discusses alternative models in other countries such as Britain the United States and France As health care becomes increasingly complex it is crucial that Canadians have a solid grasp of the main issues within both the policy and political environments With its balanced and accessible assessment of the main political and theoretical debates Health Care in Canada is an essential guide for anyone with a stake in Canada s health system

Toward a Healthcare Strategy for Canadians A. Scott Carson, Jeffrey Dixon, Kim Richard Nossal, 2015-05-01 While Canadians are proud of their healthcare system the reality is that it is fragmented and disorganized Instead of a pan Canadian system it is a system of systems thirteen provincial and territorial systems and a federal system As a result Canadian healthcare has not only become one of the costliest in the world but is falling well behind many developed countries in terms of quality Canadians increasingly realize that their healthcare system is no longer fiscally sustainable yet change remains elusive The standard claim is that Canada s multijurisdictional approach makes system wide reform nearly impossible Toward a Healthcare Strategy for Canadians disputes this reasoning making the case for a comprehensive system wide made in Canada healthcare strategy It looks at the mechanics of change and suggests ways in which the various participants in the system governments healthcare professionals the private sector and patients can work collaboratively to transform a second rate system Addressing critical issues of health human resources electronic health records integrated care and pharmacare Toward a Healthcare Strategy for Canadians shows how a system wide strategic approach to this crucial policy area can make a difference in Canada s healthcare system in the future

Health Care in Canada Katherine Fierlbeck, 2011-01-01 Health Care in Canada examines the challenges faced by the Canadian health care system a subject of much public debate In this book Katherine Fierlbeck provides an in depth discussion of how health care decisions are shaped by politics and why there is so much disagreement over how to fix the system Many Canadians point to health care as a source of national pride others are highly critical of the system s shortcomings and call for major reform Yet meaningful debate cannot occur without an understanding of how the system actually operates In this overview Fierlbeck outlines the basic framework of the health care system with reference to specific areas such as administration and governance public health human resources drugs and drug policy and

mental health She also discusses alternative models in other countries such as Britain the United States and France As health care becomes increasingly complex it is crucial that Canadians have a solid grasp of the main issues within both the policy and political environments With its balanced and accessible assessment of the main political and theoretical debates *Health Care in Canada* is an essential guide for anyone with a stake in Canada's health system ***The Canadian Regime*** Patrick Malcolmson, Richard Myers, Gerald Baier, Tom Bateman, 2016-05-30 Now in its sixth edition *The Canadian Regime* continues to provide the most accessible introduction to the institutions processes and principles of the Canadian political system The book's focus on the inner logic of parliamentary government explains the rationale for Canada's relatively complex political system which the authors encourage readers to think of as an organic entity where change in one area inevitably ripples through the rest of the system The new edition includes the results of Canada's 2015 federal election and looks ahead to consider changes resulting from the Liberal victory It has been thoroughly updated and revised and introduces several new topics such as the impact of the previous Conservative government on the conventions and practices of parliamentary government and the important influence of social media on politics Two new co authors Gerald Baier and Thomas M J Bateman join Patrick Malcolmson and Richard Myers to bring new expertise in the areas of federalism judicial politics Charter jurisprudence political parties and the ongoing health care debate ***Health Care Federalism in Canada*** Katherine Fierlbeck, William Lahey, 2013-12-01 Now that Ottawa has left health care to the provinces what is the future for Canadian health care in a decentralized federal context Is the Canada Health Act dead *Health Care Federalism in Canada* provides a multi perspective interdisciplinary analysis of a critical juncture in Canadian public policy and the contributing factors which have led to this point Social scientists legal scholars health services researchers and decision makers examine the shift from a system where Ottawa has played a significant sometimes controversial role to one where provinces have more ability to push health care design in new directions Will this change inspire innovation and collaboration or inequality and confusion Providing an up to date analysis of health care policy and intergovernmental relations at a crucial time *Health Care Federalism in Canada* will be of interest to anyone concerned with the current dynamics and future potential of Canadian health care Contributors include Greg Marchildon Canada Research Chair at the Johnson Shoyama Graduate School of Public Policy in Saskatchewan Ken Boessenkool public affairs strategist and former political advisor to Stephen Harper Adrian Levy Professor and Head Department of Community Health and Epidemiology at Dalhousie University Boris Sobolev Canada Research Chair at the School of Public and Population Health University of British Columbia Gail Tomblin Murphy Director WHO Collaborating Centre for Health Workforce Planning and Research and David Haardt Department of Economics Dalhousie University ***Introduction to Health Informatics, Second Edition*** Christo El Morr, 2023-05-29 The first resource of its kind *Introduction to Health Informatics* examined the effects of health informatics on healthcare practitioners patients and policies from a distinctly Canadian perspective This second edition has been thoroughly updated to

reflect current trends and innovations in health informatics and includes new figures charts tables and web links In this text author Christo El Morr presents the subject of health informatics in an accessible concise way breaking the topic down into 12 chapters divided into 3 sections Each chapter includes objectives key terms which are defined in a full glossary at the end of the text and a Test Your Understanding section for student review The second edition also features 15% brand new content with a full chapter on analytics machine learning and AI for health as well as information on virtual care mHealth apps COVID 19 responses adoption of EHR across provinces clinical informatics and precisions medicine Packed with pedagogical features and updated instructor supplements this text is a vital resource for students instructors and practitioners in health informatics health management and health policy FEATURES Takes a uniquely Canadian perspective on health informatics Contains 15 percent new content on topics such as virtual care mHealth apps COVID 19 responses adoption of EHR across provinces clinical informatics and precisions medicine Updated instructor supplements including PowerPoint slides and a test bank

When Politics Comes Before Patients Shawn Whatley, MD, 2020-11-18 How Successive Governments Have Weakened the Foundation of All Canadian s Social and Economic Security At some point you will find yourself lying in a hospital bed There is a good chance that your bed will be a firm rubber pad held secure between two rails and parked along a corridor in a busy emergency department Moans of Nurse will echo from the beds ahead of you in line Those pleas will fall largely on deaf ears Your hospital is underfunded and understaffed Welcome to the current reality of Medicare in the 21st century Using searing analogies and first hand accounts Dr Whatley makes the argument that the current Medicare system is unsustainable and unless critical choices and changes are made soon the publicly funded single payer system in Canada will implode Successive governments regardless of political stripe know all too well that Canada s system of health care is one of the defining characteristics of being a Canadian and any changes deemed harmful will have them thrown out of power Thus decades of cuts around the margins centralized control federal provincial infighting and government oversight has left doctors and hospitals with little input on how your health dollars are allocated and spent Citizens are being left to languish in pain for months sometimes years because the current cost and delivery system is programmed for the benefit of governments staying in power That was not what was intended Medicare should be about delivering high quality and timely healthcare value for Canadians This is not an easy fix Treatment starts with a serious look at the disease and Dr Whatley pulls no punches But what sounds like a radical new approach is neither new nor radical He is not arguing for the end of Medicare per se but is making the case to let medical professionals those providing the services become equal partners in its design implementation and delivery

Undercurrent Journal: Vol. 10, Issue 1 (Spring/Summer 2013) [Color] Leah Gerber (Editor-in-Chief), 2013-10-24 Undercurrent is the only student run national undergraduate journal publishing scholarly essays and articles that explore the subject of international development The journal is a refereed publication dedicated to providing a non partisan supportive yet critical and competitive forum exclusively for undergraduate

research writing and editing **Outside and In-Between: Theorizing Asian-Canadian Exclusion and the Challenges of Identity Formation** ,2021-09-06 Asian Canadians whether immigrant international students naturalized native born or other are hampered in their exploration and articulation of self by the dearth of critical writing both for them and by them Despite the influx of Asian students and their inflated tuition rates to Canadian postsecondary institutions they are strikingly underrepresented in the literature of the academy Critical theory focusing on Asian identity anti Asian racism and the Asian Canadian experience is limited or presented as an artifact of the past Across the globe but particularly in the English speaking West the internationalization of higher education continues its upward trend 2017 data from the Canadian Bureau for International Education positioned Canada as the fourth leading destination for international students seeking post secondary education The fact that the vast majority of international students at Canadian colleges and universities come from Asia has been well documented in domestic media but the lived experiences and perspectives of these transnational individuals have not This edited collection provides much needed theorizing of Asian Canadian lived experiences focusing on such themes as multiculturalism diversity race culture agency education community activism citizenship identity model minority myths gender colonization neoliberalism and others Contributors include Sarah Alam Syed Fahad Ali Wallis Caldoza Valerie G Damasco Grace Garlow Allison Lam Kailan Leung Juanna Nguyen Dionisio Nyaga Jasmine Pham Vania Soepriatna Tika Ram Thapa and Rose Ann Torres **Healthcare Writing** Michael A. Arntfield,James W. Johnston,2016-08-04 Notable for its use of real document examples drawn from actual healthcare settings in addition to its central section s extended focus on narrative medicine and new media writing Healthcare Writing A Practical Guide to Professional Success provides a wide ranging much needed contemporary perspective on the modes and contexts of writing most pertinent to today s healthcare professionals Aimed at students enrolled in university or college level healthcare programs healthcare communication specialists as well as at current clinical practitioners seeking a portable reference and guide this book combines a detailed discussion of approaches to key healthcare document types both professional and academic with a thorough but accessible overview of essential points of grammar punctuation and style
