

The background of the entire image is an abstract, painterly composition. It features a central, dynamic flow of water, depicted with white and light blue brushstrokes, suggesting movement and purity. Surrounding this central flow are various shapes and colors that resemble autumn leaves or petals, in shades of orange, red, pink, and purple. The overall effect is one of natural beauty and spiritual symbolism.

Heart Centered Living Pamela Kribbe, 2012-04 Loving guide on your way to heart centered living *The Forbidden Male Speaks: Messages from Jeshua on love, relationships, and heart-based masculinity* Pamela Kribbe, 2024-06-15 Messages from Jeshua on love relationships and heart based masculinity The forbidden male is the male who does not fit into the traditional box of masculinity with its heavy emphasis on being tough and in control This limiting definition of masculinity has wounded men and disconnected them from their heart and soul This book describes the inner wound many men suffer from and offers new ways of thinking about masculine energy in general The basic assumption underlying the book is the idea that the human being is primarily a soul with both masculine and feminine aspects Healing and reshaping our thinking about masculinity affects not only individual men but women too as women are also in need of developing and healing their own masculine energy The forbidden male who jumps out of the box brings us back to heart based masculinity the energy of freedom courage and wisdom As such recognizing the forbidden male energy liberates both men and women and enables them to enter into mature and truly loving relationships *Layered Reality* Valo Ray, 2020-08-15 Layered Reality is a candid dialogue between a truth seeker a semi fictional character who personifies the author and a highly evolved channelled spirit entity Zachariah **YoUr Other Heart** Sandra Casey-Martus, Carla Mancari, 2010-02 The Best Kept Secret is where the law of attraction and spiritual principles originate It s where the action is No sacred secret affects you and your relationships with others more than this one Nothing will ever make a greater impact on your practical and spiritual life Learning about the Best Kept Secret does not mean abandoning or discarding your religious traditions In fact it has brought many individuals into a reality relationship with Jesus Christ When you venture beyond the mystical teachings and insights you have always known you will discover that they are steppingstones never hindrances Reverend Sandra Casey Martus is the associate rector of All Saints by the Sea Episcopal Church Santa Barbara California and a former adjunct faculty member of the Seminary of the Southwest Sandy spent ten years on Contemplative Outreach Limited s Formation and Retreat Service teams Her article Centering Prayer and Priestly Formation appears in Centering Prayer in Daily Life and Ministry Sandy is the coauthor of The Lessons How to Understand Spiritual Principles Spiritual Activities and Rising Emotions and Concordance Sandy is the cofounder of the Contemplative Invitation Teaching She writes travels teaches the Christ Centered Prayer and leads Christian contemplative prayer retreats Teacher and spiritual guide Carla Mancari had her first transcendent experience in 1973 while visiting a shrine in Lourdes France She immediately resigned from her job as a counseling psychologist and began a spiritual quest Carla traveled all over the world studying with Christian Buddhist and Hindu masters which ultimately brought her into an ongoing intimate personal relationship with Jesus Christ She has taught Christ centered spiritual principles and silent prayer for over thirty five years Carla is the author of Walking on the Grass A White Woman in a Black World When Jesus Is the Guru A Wayward Christian s Spiritual Walk Eco You A Power of One
