Handbook Of Imperial Germany:

Handbook of Imperial Germany Robinson & Robinson, 2009-09 The purpose of this book is to provide a one volume resource for collectors and historians with an Imperial German army interest The more we researched the more we found there were more stories myths and misunderstandings about Imperial Germany than there were facts Different authors addressed different aspects collectors historians and educators all had their own area of expertise but there was no readily available resource to give a general overview of Imperial Germany Though it is convenient to call it Germany at the start of the First World War there was still no united Germany no German army and no German officer corps At 333 pages with 183 pictures and over 670 footnotes this is an attempt to explain the intricacies of how the country worked militarily politically and socially

The Oxford Handbook of Modern German History Helmut Walser Smith, 2011-09-29 This is the first comprehensive multi author survey of German history that features cutting edge syntheses of major topics by an international team of leading scholars Emphasizing demographic economic and political history this Handbook places German history in a denser transnational context than any other general history of Germany It underscores the centrality of war to the unfolding of German history and shows how it dramatically affected the development of German nationalism and the structure of German politics It also reaches out to scholars and students beyond the field of history with detailed and cutting edge chapters on religious history and on literary history as well as to contemporary observers with reflections on Germany and the European Union and on multi cultural Germany Covering the period from around 1760 to the present this Handbook represents a remarkable achievement of synthesis based on current scholarship It constitutes the starting point for anyone trying to understand the complexities of German history as well as the state of scholarly reflection on Germany s dramatic often destructive integration into the community of modern nations As it brings this story to the present it also places the current post unification Federal Republic of Germany into a multifaceted historical context It will be an indispensable resource for scholars students and anyone interested in modern Germany

Bradshaw's illustrated hand-book to Germany George Bradshaw, 1867 **Longman Handbook of Twentieth Century Europe** Chris Cook, J. Stevenson, 2014-09-19

The twentieth century was one of constant upheaval across Europe The continent saw wars revolutions and the collapse of empires and a range of leading figures from Stolypin and Stalin to Chirac Schroder and Putin This book provides a detailed yet wide ranging guide to the turbulent events of twentieth century Europe Covering the whole period from Tsarist Russia and Imperial Germany to the Balkan Wars of the 1990 s and the final birth of the Euro in 2002 it provides a convenient user friendly compendium of key fact and figures for the whole of Europe from the Atlantic to the Urals

The Rough Guide to Germany Christian Williams, James Stewart, 2012-04-02 The Rough Guide to Germany is the ultimate travel guide to this dynamic country. Now in full colour throughout, dozens of colour photos illustrate Germany's stylish cities and beautiful landscapes, its meandering rivers and picture perfect castles. Detailed accounts of every attraction provide all the information you need to explore the country's exceptional museums, iconic architecture and its many rural escapes from the soaring Bavarian Alps and dense woodlands of the Black Forest to the beautiful beaches and islands of the North Sea or the idyllic Rhineland vineyards where you can sample some of the country's many world class wines. The guide's bevy of practical advice ensures that no matter what your budget you'll find the perfect boutique hotel, convivial hostel, authentic cellar restaurant, stylish gourmet haunt, design conscious shop, cutting edge arts venue or hip bar and club, all marked on the book's many colour maps. The Rough Guide to Germany includes well researched historical and cultural background to help you understand and appreciate this complex country and above all make the most of your holiday.

Germany Country Study Guide Volume 1 Strategic Information and Developments IBP, Inc, 2012-03-03 Germany Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments

A Handbook for Travellers in Southern Germany ... [By John Murray III.] Ninth edition, revised John Murray (Firm), 1863

Handbook of the War for Readers, Speakers and Teachers Albert Bushnell Hart, Arthur Oncken Lovejoy, 1918
