both the Bible and the Church's faith in the Incarnation. The Marian dogmas of the Church are guarantors of the full meaning of the statement in the Gospel of John that the word became flesh and dwelt among us. 14 Fr Wilfrid Stinissen shows that Mariology corrects any attempt to minimize the good news that God became man so that man could become like God. In writing about Mary he underlines the astonishing truth that God has initiated an intimate communion with mankind. In a world that strives to reduce human dignity, Mary reveals the very high value of man in God's eyes and God's wondrous love and plan for each one of us.

The Hidden Light Jennifer Moorcroft, 2013. Saint Dominic has been described by one of his biographers, Guy Bedouelle, OP, as hidden in the light. Unlike most other founders of religious orders, he says we have only three brief letters and almost none of his words preserved; we know nothing of Dominic's life except what we can see through the eyes of his followers or his friends. The fact that our access to St. Dominic is so indirect reveals his discretion and, in a sense, his detachment from himself. This detachment in turn is an eloquent statement of the place he wished to hold within the Church.

The Catholic Historical Review, 2003. **The Sunrise of the Soul** Gerard Thomas Straub, 2020-07-21. *The Sunrise of the Soul* is the fruit of the last 24 years of an unexpected new life and a journey of transformation that took Gerry Straub from the glamour of Hollywood to the horror of the worst slums on earth. Straub's journey began in an empty church in Rome during a moment of grace in which the hard shell of his ardent atheism was penetrated by a spark of light, allowing him to see that God was real and loved him just as he was. Eventually, Straub felt God telling him to stop filming the poor and to go live among the poor. He now lives in a crowded slum in Haiti where he operates a home of hope and healing for 69 abandoned kids, 24 of whom are still in diapers. Straub says his journey is far from over and will never be finished. As Karl Rahner reminded us, in the torment of the insufficiency of everything attainable, we ultimately learn that here in this life, all symphonies must remain unfinished. Living in a home with 69 kids in Haiti means that the stillness and silence needed for contemplation are virtually nonexistent. After more than four years of intense work in Haiti, Gerry began to commit himself to the rejuvenating power of authentic solitude in order to turn his attention to his own inner spiritual poverty. In the silent predawn darkness of each Haitian morning, he waits, reflects, and prays. This book emerged slowly from those many lonely hours of silence.
