Negotiating the Sweet Spot Leigh Thompson,2020-07-14 Everybody negotiates at various points every day be it in life or business and it s important to get it right On average people leave about 20% of potential mutual gains untapped in any negotiation This is akin to taking 20% of the value in any deal and dumping it into a garbage canister Finding that hidden 20% the sweet spot is a skill that takes practice but is also one that anybody can learn Leigh Thompson offers best practices and tools within this book to use in daily negotiations and conflict situations She calls these strategies hacks because they work but don t require a lot of investment training expense and time You don t have to be a CEO senior VP or regional brand manager to learn how to find the sweet spot in life s negotiations In Negotiating the Sweet Spot benefits include learning the following Understanding where the sweet spot is in the deals you negotiate Adopting a big picture mind set when approaching any negotiation Seeing negotiations less as win lose battles and more as opportunities to use problem solving skills Utilizing a tool kit of hacks that will work in any negotiation and have been proven effective by a top expert in the field Negotiating the Sweet Spot walks people of all skill and experience levels through simple and proven techniques that are sure to result in better outcomes for all parties and that uncover the hidden value that exists in any negotiation

The Art of Negotiation Peter Oliver,2016-12-19 We want a lot of things in life whether it is convincing our child to go to bed our spouse to join us in an activity we want to do our boss to give us a better salary our co workers to buy into our project or a competitor supplier or government official to help us increase revenue or decrease costs We have to negotiate in all these events and we can lose that which we desire because we are unskilled at negotiation This book will walk us through initial simple two party negotiations to multi party negotiations disputes and mediation These are basic principles taught in business school in management seminars and in leadership programs Many of the principles are derived from countless books on the subject matter that were prolific in the 1980s and 1990s and some as far back as the turn of the

20th century You should be able to read through this in one day but make sure to underline or highlight the sections that you want to come back to and come back to them often These principles need to be practiced in order to become part of your routine So practice practice practice starting with your closest friends and family and then extending your practice into the business world The Concise Reads Business Success series is a collection of short reading material that highlights important concepts in business education that every student business owner and entrepreneur should know from accounting and incorporating to building a robust business plan and managing operations We hope you enjoy Peter s easy to read explanations The affordable pricing makes this series available to anyone willing to learn and the concise aspect makes it so it does not take more than a single day to learn or a single weekend to master Good luck and please review the book when you re done so that others could see the value derived from this affordable series If there is a business topic that will benefit readers to learn about then please also mention that in your review We will read every review and adjust our titles based on your needs Thank you for your interest and happy concise reading

Win-Win David Goldwich,2020-08-26 We all negotiate every day whether we realize it or not Yet few people ever learn how to negotiate Those who do usually learn the traditional win lose negotiating style rather than an approach that is likely to result in a win win agreement This old school adversarial approach may be useful in a one off negotiation where you will probably not deal with that party again However such transactions are becoming increasingly rare because most of us deal with the same people repeatedly our spouses and children our friends and colleagues our customers and clients It s essential to achieve successful results for ourselves and maintain a healthy relationship with our negotiating partners at the same time In today s interdependent world of business partnerships and long term relationships a win win outcome is fast becoming the only acceptable result This book will show you how to get that win win
