Healthcare Beyond Reform Doing It Right For Half The Cost:

Healthcare Beyond Reform Joe Flower, 2012-04-24 There is a secret inside healthcare and it's this We can do healthcare for a lot less money The only way to do that is to do it a lot better We know it's possible because it is happening now In pockets and branches across healthcare people are receiving better healthcare for a lot less Some employers states tribes and health systems are doing healthcare a little differently Healthcare Beyond Reform Doing It Right for Half the Cost explains how this new kind of healthcare is not about rationing and cutbacks It's not about getting less it's about getting more Getting better and friendlier healthcare where you need it when you need it How The answer is mostly not in Washington it's not conservative or liberal The answer is mostly not about who pays for healthcare The answer is mostly about who gets paid and what we pay them for Healthcare Beyond Reform Doing It Right For Half The Cost shows you how the system works It explains how we got here why we pay so much more than anyone else and why we don't get what we pay for You'll learn the five things healthcare can do to turn this around You will see what some employers are already doing to make that happen and what patients families doctors and anyone else who cares about healthcare can do to help make it happen There are only five and we need all five All of them can be done right now with the current healthcare system as it is Joe Flower shows you how In 1980 healthcare took no more of a bite out of the U.S. economy than it did in other developed countries By 2000 healthcare cost twice as much in the U.S. as in most other developed countries We can change that Joe Flower Joe Flower explains how we can make healthcare better for a lot less <http://www.youtube.com/watch?v=nKv5f5SIS4Y> feature youtube *Handbook of Healthcare Management* Myron D.
