Heart Full Of Lies A True Story Of Desire And Death:

Heart Full of Lies Ann Rule, 2003-10-14 From 1 New York Times bestselling true crime author Ann Rule comes a convincing portrait of a meticulous criminal mind The Washington Post in this chilling tale about a beautiful and charming widow with a dark side An idyllic Hawaiian wedding held the promise of a wonderful future for handsome athletic Chris Northon an airline pilot a confirmed bachelor turned devoted family man and Liysa an acclaimed surf photographer loving mother and aspiring Hollywood screenwriter But few including Chris had seen Liysa's other side her controlling behavior and dark moods her insatiable hunger for money and property And no one anticipated the fatal outcome of a family camping trip in an Oregon forest Liysa soon revealed herself as a victim of domestic abuse that culminated at the campsite where she shot Chris in self defense But crime scene evidence led detectives to wonder if Liysa was a killer not a victim Her controversial trial stunned all who thought they knew her A lifetime of sociopathic manipulations and lies had been expertly hidden behind her facade of perfection as was her rage to destroy any obstacle to her ultimate happiness even if it was the man she vowed to love forever

Heart Full of Lies Ann Rule, 2001-01-01 Liysa Northon was stunningly attractive and charming with a core of loyal supporters who refused to believe she could be guilty of a horrendous crime in this case the cold blooded execution of her handsome husband Chris With firsthand testimony from the Northon's friends and family this brilliant investigative work travels from Hawaii to Texas to Hollywood as it tracks the remorseless steps of a woman who used the many men who loved her as stepping stones to wealth and fame

Evil Women John Marlowe, 2017-07-11 Many people find it impossible to believe women are capable of committing brutal murders but this book shows otherwise Katherine Knight donned a black negligee before stabbing her lover John Price 37 times then serving up his corpse for dinner with baked potatoes pumpkin and all the trimmings Sue Basso became supermarket packer Buddy Musso's lady love but his dreams of happiness were shredded when she and her friends tortured him to death for a paltry 15 000 life insurance policy Shelly Michael injected her husband with a drug that led to death by slow suffocation then she set their house on fire Each of the cases documented here makes for a chilling read proving that evil transcends the sexes

Evil Wives John Marlowe, 2009-09-01 Many people find it difficult to believe that women are capable of extreme acts of violence so female killers have often been able to evade the long arm of the law for extended periods of time Indeed the concept of the evil wife seems much more shocking than that of the evil husband perhaps because women are so closely associated with nurture and support in western society In the case of most women society's trust is not misplaced but one must be ready to accept there are always exceptions such as the women you'll encounter within these pages who all proved themselves far deadlier than the male *Evil Wives* focuses on the most horrible crimes ever committed by women Author John Marlowe presents a carefully chosen cross section of history's deadliest female criminals whose fascinating life stories are viewed with an unflinching gaze making for a chilling but engrossing read Features Nancy Kissel Kimberly Hricko Jane Andrews Rita Gluzman Nancy Nannie
