The Night Sky, Updated and Expanded Edition Richard Grossinger,2014-09-30 Ever since Homo sapiens first looked up at the stars we as a species have been looking for meaning in the mysteries of the night sky Over the millennia as our knowledge science and technology developed the stories we told ourselves about the universe and our place in it developed as well In The Night Sky Richard Grossinger traces those developments covering multiple aspects of humanity s complex relationship to the cosmos Covering not only astronomy but also cosmology cosmogony astrology and science fiction he offers us a revelatory look at the firmament through his own telescope fitted with an anthropological lens Throughout his explorations Grossinger continually reflects on the deeper meaning of our changing concepts about the universe and creation offering insight into how each new discovery causes us to redefine the values moralities and aesthetics by which we live He also calls into question the self aggrandizing notion that humanity can and will conquer all and injects our strident confidence in science with a healthy dose of humility and wonder Filled with poetic observation and profound questions The Night Sky is a brilliant reflection of humanity s relationship with the cosmos a relationship fed by longing doubt and awe

Saturday Review of Literature ,1924 *The Arctic* Sebastian Copeland,2024-09-24 Winner 2024

Photographer of the Year International Photography Awards 2024 NEW YORK TIMES HOLIDAY GIFT GUIDE PICK With his unrivaled photography taken over 20 years of expeditions including to the North Pole Copeland transports us to the Arctic to share the heart of the polar cap as never before seen The Arctic is one of the last true wildernesses on the planet and its demise should ring the alarm for lower latitudes Copeland's multifaceted background not only a polar explorer award winning photographer and established author and journalist but also a dedicated environmental advocate offers us a unique vantage point from which to appreciate this lonely spot Although the vision presented in these pages may be poetic the book's aims are pragmatic to inspire and help foster a transformation toward a sustainable future The Arctic A Darker Shade of White is a gateway into Copeland's intrepid journeys as he takes us along and unveils some regions of the globe that had rarely if ever seen a footprint before It is an intimate and visually arresting ode to the human pursuit of exploration inside Nature's most remote and otherworldly theater

*Journal of United Labor* Knights of Labor, 1893 *New York Magazine*, 1988-09-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**The Vampire Goes to College** Lisa A. Nevárez, 2013-12-03 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness

**Harper's Weekly** John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Ford, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1897 The Spectator, 1959-08 **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is

contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
