**Speech, Language, and Hearing Programs in Schools** Eileen Gravani,Jacqueline Meyer,2007 Speech Language pathologists have long been

involved in providing services to children with communication disorders in the schools. However, a number of recent events have altered the practice environment, including changes in national and state legislation, shifting demographics, an increase in the severity of disorders encountered, advances in technology, and a move toward curriculum-based assessment. The new edition of *Speech Language and Hearing Programs in Schools: A Guide for Students and Practitioners* reflects these events. The new editors and contributors to the first edition have substantially updated and revised all chapters and have added new material on the reauthorization of IDEA, literacy acquisition, pediatric dysphagia, children from culturally diverse backgrounds who are increasingly represented in speech language pathology caseloads, and much more. The book also includes chapter objectives, case studies, and Internet resources and is supplemented by an instructor's manual.
