Cars & Parts ,1981 **Farm Mechanics ...** Bernard Lyman Johnson, 1924 *Modern Girls on the Go* Alisa Freedman, Laura Miller, Christine R. Yano, 2013-04-17 This spirited and engaging multidisciplinary volume pins its focus on the lived experiences and cultural depictions of women's mobility and labor in Japan The theme of modern girls continues to

offer a captivating window into the changes that women's roles have undergone during the course of the last century. Here we encounter Japanese women inhabiting the most modern of spaces in newly created professions moving upward and outward claiming the public life as their own: shop girls, elevator girls, dance hall dancers, tour bus guides, airline stewardesses, international beauty queens, overseas teachers, corporate soccer players, and even female members of the Self Defense Forces. Directly linking gender mobility and labor in 20th and 21st century Japan, this collection brings to life the ways in which these modern girls historically and contemporaneously have influenced social roles, patterns of daily life, and Japan's global image. It is an ideal guidebook for students, scholars, and general readers alike.

The Rise and Decline and Rise of China. MISTRA, 2015-05-10. The Rise and Decline and Rise of China: Searching for an Organising Philosophy represents a new and promising approach to Africa-China relations. What is most impressive is that it is an encounter between African and Chinese thought, but this encounter is not just a set of stale comparisons of philosophical beliefs. This study places the concepts and attitudes in both China and Africa in their socio-political contexts in an attempt to provide a sophisticated, sensitive, and usable history. This attempt yields dividends, especially for the primary audience of Africans, as it gives a way of learning from the vast history of Chinese experience without reducing African experience to insignificance or irrelevance, as has happened so often in dialogues between Africa and the West. This book will be of interest to anyone from within Africa interested in engaging with China as a complex and nuanced place, a place of challenge, creativity, and opportunity.
