Goats In Trees Multilingual Edition:

Narrative Development in a Multilingual Context Ludo Verhoeven, Sven Strömqvist, 2001-12-31 In this volume the results of a number of empirical studies of the development of narrative construction within a multilingual context are presented and discussed It is explored what operating principles underlie the process of narrative production in L1 and L2 Developmental relations between form and function will be studied across a broad range of functional categories such as temporality perspective connectivity and narrative coherence Moreover a variety of language contact situations is considered with broad variation in the typological distances between the languages in order to enable cross linguistic comparison The analysis of learner data in various cross linguistic settings may thus offer new information on the role of the structural properties of unrelated languages on the process of narrative acquisition In the present volume an attempt is also made to find out how transfer from one language to the other is facilitated Finally the effects of input on narrative construction in children s first and second language are examined in several studies

Children's Multilingual Literacy Pauline Harris, Cynthia Brock, Elspeth McInnes, Bec Neill, Alexandra Diamond, Jenni Carter, Ufemia Camaitoga, Meresiana Krishna, Eleni Giannakis, 2020-10-22 This book offers a comprehensive report on a three year cross cultural critical participatory action research study conducted in children s homes and communities in Fiji This project contributed to building sustainable local capacity in communities without access to early childhood services so as to promote preschool children s literacy development in their home languages and English The book includes rich descriptions of the young children s lived multilingual literacy practices in their home and community contexts This work advances research based practices for fostering young children s multilingual literacy and building community capacity in a post colonial Pasifika context further it shares valuable insights into processes and complexities that are inherent to multiliteracy and cross cultural research

The Weaponizing of Language in the Classroom and Beyond Kisha C. Bryan, Luis Javier Pentón Herrera, 2023-12-04 In this edited volume language weaponization or the weaponization of language is used to describe the process in which words discourse and language in any form can be used to inflict harm on others The term harm is of vital importance because it refers to how specific groups of people are affected by ideologies and practices that normalize inequity and injustice in their environments The contributions in this book explore how language ideologies practices and policies can physically emotionally socially and or economically disadvantage or harm minoritized individuals as well as their cultures and languages

Language Impairment in Multilingual Settings Sharon Armon-Lotem, Kleanthes K. Grohmann, 2021-11-15 COST Action IS0804 Language Impairment in a Multilingual Society Linguistic Patterns and the Road to Assessment aimed to profile bilingual specific language impairment biSLI by establishing a network for research on the linguistic and cognitive abilities of bilingual children with SLI across different migrant communities A battery of tools for Language Impairment Testing in Multilingual Settings LITMUS was designed within the Action to achieve these aims including the Parental

Bilingual Questionnaire the Sentence Repetition Task the Crosslinguistic Lexical Tasks the Multilingual Assessment Instrument for Narratives and two nonword repetition tasks that are not language specific The chapters in this volume present research on one or more of the LITMUS tasks in bilingual children with typical language development and on use of the LITMUS testing battery for identifying possible language impairment The work presented here will be of interest for researchers and clinicians alike and have profound impact in our understanding of bilingual language development and impairment

Language, Literature and Culture in a Multilingual Society Ozo-mekuri Ndimele, Mustapha Ahmad, 2016-12-14 The papers here were selected from presentations made at the 24th Annual Conference of the Linguistic Association of Nigeria LAN which held at Bayero University Kano The book contains seventy seven 77 papers addressing various issues in linguistics literature and cultures in Nigeria The book is organized into four sections as follows Section One Language and Society Section Two Applied Linguistics Section Three Literature Culture Stylistics and Gender Studies and Section Four Formal Linguistics

Developing Narrative Comprehension Ute Bohnacker, Natalia Gagarina, 2020-12-15 Comprehension of texts and understanding of questions is a cornerstone of successful human communication Whilst reading comprehension has been thoroughly investigated in the last decade there is surprisingly little research on children's comprehension of picture stories particularly for bilinguals This can be partially explained by the lack of cross culturally robust cross linguistic instruments targeting early narration This book presents an inference based model of narrative comprehension and a tool that grew out of a large scale European project on multilingualism Covering a range of language settings the book uses the Multilingual Assessment Instrument for Narratives to answer the question which narrative comprehension skills bilingual children can be expected to master at a certain age and explores how such comprehension is affected or not affected by linguistic and extra linguistic factors Linking theory to method the book will appeal to researchers in linguistics and psychology and graduate students interested in narrative multilingualism and language acquisition

Phraseology in Multilingual Society Elena Arsenteva, 2014-03-17 This unique volume showcases the best presentations of the international conference Phraseology in Multilingual Society held at Kazan Federal University Russia in August 2013 The twenty seven essays included here represent different research efforts by specialists in phraseology from around the world The book reflects numerous different aspects of phraseological research including those from semantic pragmatic and comparative fields of study Furthermore the volume also presents an investigation of some practical problems of paremiology and phraseography

Islands Magazine, 1993-12

Ecopedagogies Ellen Bayer, Judson Byrd Finley, 2022-09-14 Ecopedagogies showcases a range of creative approaches that educators across multiple disciplines use to empower students to access and engage with nature an increasingly important consideration in a post COVID world in environmental crisis The volume includes chapters written by scholars from the environmental arts and humanities literature

writing studies rhetoric music religious studies environmental studies and sustainability sociology and anthropology physical education and outdoor education Each author walks the reader through the details of how their ecopedagogy works identifies potential challenges while also detailing how to address them and explains the rewards to students instructors and more than human nature that they have witnessed through the use of these approaches The contributions represent diverse types of academic institutions offering broad applicability to instructors including community colleges private liberal arts colleges and large state regional public and private universities The book explores a series of key questions about how educators can facilitate meaningful learning experiences with the natural world inside and outside the classroom and it looks at how to foster inclusivity navigate problems with access and explore intersections with environmental justice As a practical guide the book delivers a well provisioned toolbox containing exercises activity guides and assignments for those teaching environmentally focused college courses

Environment in Key Words Isaac Paenson, 2016-06-28 Environmental problems ignore international boundaries Toxic wastes travel by water and air sometimes displacing the effects of an environmental disaster entirely outside of its country of origin It is now understood that to overcome the problems that face us international co operation is required This important work is designed to assist in that process by helping to break down the language barriers that stand between countries The manual written in parallel English German French and Russian texts provides the basic tools of communication in the specialized fields of environmental sciences between speakers of these languages Each chapter has been revised in each separate language by specialists in the field to guarantee the authenticity of the information presented The author is unique in his approach presenting the key words in context as opposed to simple glossary entries allowing the reader to fully understand the complex relations between the word and the concepts involved A comprehensive index written in all four languages guides the reader through the text providing references to the words as they are used in different disciplines

French Words M. H. Offord, 2001-01-01 Using an original mode of presentation the textbites this book seeks to approach the French vocabulary from as many angles as possible showing how French words are constructed the difficulties inherent in defining a word the relationships words enter into their origins and recent trends in word formation Examples and exercises are provided throughout
