*Expressions of Confessions* De'Ngshia Samuel, 2012-06-20 Dengshia Nicole Samuel loves the Lord but did everything to fight against the call on her life throughout her years of growing up She led a destructive lifestyle due to molestation incest rejection and abandonment that caused her to reject the call of God she did everything to stifle sabotage kill the voice the dreams and the vision of the Lord because she didn't want to be obedient to his word she wore the identity of shame guilt resentment and anger that almost caused her to abort her destiny She had to deal with low self esteem unhealthy relationships financial struggles and constant rumors lies Now she has used her GOD given talent to speak out about all of her life issues Please prepare yourself to laugh cry and experience a touch of reality while reading her book of poetry called *Expressions of Confessions*      Cy in Chains David L. Dudley, 2013 Cy Williams thirteen has always known that he and the

other black folks on Strong's plantation have to obey white men no question Sure he's free as black people have been since his grandfather's day but in rural Georgia that means they're free to be whipped abused even killed Almost four years later Cy yearns for that freedom such as it was Now he's a chain gang laborer forced to do backbreaking work penned in and shackled like an animal brutalized beaten and humiliated by the boss of the camp and his hired overseers For Cy and the boys he's chained to there's no way out no way back And then hope begins to grow in him along with strength and courage he didn't know he had Cy is sure that a chance at freedom is worth any risk any sacrifice This powerful moving story opens a window on a painful chapter in the history of race relations *Leland Thomson: Cary Franklin Smith*, 2019-06-06 It's January 1960 Leland Thomson plays his cello with incredible passion and sensitivity demonstrating a skill that far outstretches his age and circumstance The cello came from his uncle but the gift was from God Attached to the gift was a dream to play before vast audiences a dream that seemed well beyond the reach of a sixteen year old boy from the hills of Arkansas Life is a challenge in the hills even more so if you are sawmill trash Your lot is cast low and thrusts upon you daily challenges of race poverty abuse and mistrust Only by strong convictions do the Thomsons manage a simple yet contented lifestyle On a trip into town they meet Ralph Watkins a regent at the New York Conservatory of Music When Ralph hears Leland play he outlays a plan to have Leland play at Carnegie Hall But when Ralph discovers Leland's practice of praying each time he plays to honor the source of the gift Ralph demands he stop only to realize what he asks separates Leland from that which gives him his identity and ability Leland Thomson *A Gift a Cello and a Dream* is a captivating story full of country charm and wit It follows Leland as he fulfills his dream while proving where you come from matters less than who you are *It Ain't Over THE FIRE IS STILL BURNING* Rev. Tiffany Holloman, 2019-01-22 Have you ever wanted something so bad but it seemed like it was just out of your reach Have you ever had a desire to do more but hurt fear or time has snuffed out your passion What dream is burning deep down inside of you that you feel too late to accomplish If you're in this place or have been in this space then this book is for You *It Ain't Over The Fire is Still Burning* is a powerful word which compels you to revisit your way of thinking and reignite the desire or vision that God has given you It will Empower you to chase after all that God has for you and Equip you to take on the Journey Just know that if you are still breathing and God is still God It Ain't Over and The Fire on the inside of you is Still Burning **The Bookman**, 1902 *Drama*, 1922 **The Drama**, 1920 The Drama Magazine ... Paul Green, 1921 **Doors of the Church Are Open: Smoke & Mirrors by Sonya Shuman** Sonya Shuman, 2015-04-01 Welcome to the life of the Golden family Al Golden a man A reformed drug dealer turned entrepreneur and pastor of the largest church in Newark New Jersey The Goldenes have it all Looks fame fortune faith and God's favor Another thing they have that is not so apparent to the untrained eye of the public that praises them is flaws Lauded and loved by the residents of the city of Newark they can do no wrong Or so it seems from the outside looking in The invisible dome that had surrounded the Golden family for so long begins to crack beneath the weight of unresolved issues and grief at the

passing of their beloved Carla Golden the matriarch The Golden's shiny exterior begins to tarnish before everyone's very eyes as their past comes back to haunt them and bad habits hidden in the darkness secrets held behind the closed doors and the velvet rope of the pulpit of the church are brought to light Will they survive under the weight of the pressure of exposure In mid fall off of the religious pedestals set so high by the community do they have the strength to keep their composure A microcosm for the hypocrisy that lies underneath the covers of American society the Golden family a sleeping giant is about to be exposed A tale of truth and lies loss lust love life and grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man's will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons not withstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the sex per se Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God's Holy Spirit
