Wake Up America Before It's Too Late! Colonel Ellis D. Bingham Usa Retired,2012-10 Deep within our own Unites States Government and elements within and outside our nation there appears to be an insidious plot to destroy our Christian heritage and our American way of life This will never happen as long as our citizens are armed as provided for in our Constitution Unfortunately most citizens are immersed in their day to day activities to provide for their families and do not have the time to sift through and analyze the wealth of information provided by modern technology Those that have the time to monitor the internet and other media are flooded with information much of which is disinformation This causes uncertainty fear worry and stress on our citizens This Decision Paper puts together seven situations that if not acted upon and corrected will destroy this great nation All nations should realize that if America as the world knows it is destroyed the free world will cease to exist God's Plan To Save America L. Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977

thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it **The book of Seven**

ever perpetrated It has squandered the planet s resources and institutionalized un sustainability It has created money flow control and power that make their way into the hands of the undeserving It has created a global frenzy for profit Humanity had almost defeated all its predation competition and disease only to find itself competing and preyed upon by the worst competition imaginable itself It has institutionalized necessity for economic growth and population increase when the planet cannot sustain it The game controllers are poised to profit from dwindling resources through commodity investment and war The world s jobs are dependent on the continuation of Ponzi credit creation Weekly Compilation of Presidential Documents ,1985 *Let the Church Be the Church* Bobby E. Mills,2018-10-01 An impassioned call for Christian churches to return to the values of service love and grace and reject the twenty first century gospel of material prosperity The lack of accountability in Christian churches has rendered them powerless to meet the spiritual needs of humanity America needs a renaissance of the human spirit and the church must serve society by spreading God s love through the gospel The twenty first century gospel of material prosperity over spiritual prosperity as proclaimed by some pastoral leaders has no place in the Christian doctrine This materialistic perspective has shaken the foundation of the church Today s worship is full of pomp circumstance and emotionalism but not a lot of the love grace and service that was exemplified by the life and teachings of Jesus This book urges Christians to remember who started the church and what its most important values truly are The greatest line item in a church s budget should be benevolence not lavish pastoral lifestyles
