*The Most Unpleasant Character
in All Fiction*

DAN BARKER

with a foreword by

RICHARD DAWKINS

"With a twinkle that belies the canard that atheists are 'strident' and 'militant,' Dan Barker cheerfully refutes the common claim that morality comes from the God of the bible."

—Steven Pinker, author of *How the Mind Works* and *The Better Angels of Our Nature*

God The Most Unpleasant Character In All Fiction:

God Dan Barker, 2016 English ethologist evolutionary biologist and writer Richard Dawkins opens Chapter 2 of his bestseller *The God Delusion* by saying that the God of the Old Testament is arguably the most unpleasant character in all fiction and goes on to list nineteen negative character traits Now in *God the Most Unpleasant Character in All Fiction* Dan Barker a former ordained minister and current atheist proves that Dawkins was right Jacket **John Dewey at 150 A. G. Rud**, Lynda Stone, 2009 The sesquicentennial of the birth of John Dewey is in 2009 In recognition of this occasion John Dewey at One Hundred Fifty Reflections for a New Century with contributors drawn from the members of the John Dewey Society will be published as both a journal issue and a book The papers will appear as an issue of the Society's journal *Education and Culture* in late fall 2009 and as a book by Purdue University Press *Martin Luther's Hidden God* Timothy Scott Landrum, 2022-04-05 The presence of evil in a world said by God to be good is perhaps humanity's most vexing challenge Where is God in all this is a universal cry The answers are as numerous and varied as those offering them but little is accomplished it seems to ease the pain of a God who doesn't behave according to law logic or rationale Into this melee Martin Luther waded with his distinction between God preached and God not preached and hiding Though not always appreciated Luther's thought speaks to the various dimensions of the problem and proclaims a definitive answer Martin Luther's *Hidden God* traces the origins of Luther's thought on the matter explores how his teaching compliments and conflicts with the teaching offered by certain post Reformation Lutheran theologians and philosophers of religion before distilling his thought into a preliminary apologetic for the problem of evil and divine hiddenness that spans the breadth of the issue from a uniquely Lutheran perspective *Dark Passages of the Bible* Matthew J. Ramage, 2013-09-24 Multiple gods Divinely mandated genocide Rejection of an afterlife If the Scriptures are the inspired and inerrant word of God that Christians claim them to be how can they contain these things For many believers in the modern age traditional Christian answers to these challenges are no longer convincing Though spiritually edifying they are unable to account for the sheer scope and depth of problems raised through the advent of historical critical scholarship Following the lead of Pope Benedict XVI in *Dark Passages of the Bible* Matthew Ramage weds the historical critical approach with a theological reading of Scripture based in the patristic medieval tradition Whereas these two approaches are often viewed as mutually exclusive or even contradictory Ramage insists that the two are mutually enriching and necessary for doing justice to the Bible's most challenging texts Ramage applies Benedict XVI's hermeneutical principles to three of the most theologically problematic areas of the Bible its treatment of God's nature the nature of good and evil and the afterlife Teasing out key hermeneutical principles from the work of Thomas Aquinas Ramage analyzes each of these themes with an eye to reconciling texts whose presence would seem to violate the doctrines of biblical inspiration and inerrancy At the same time Ramage directly addresses the problems of concrete biblical texts in light of both patristic and modern exegetical methods PRAISE FOR THE

BOOK Ramage uses three difficult biblical motifs as proving grounds for this method the nature of God the nature of good and evil and the afterlife Exegetes and theologians will appreciate the author's wrestling with these issues in a considered way that tries to be true to both scientific methodology and the demands of a community of faith The Bible Today If a sacred text can be literally incorrect about topics on which it claims to speak authoritatively how can its words be trustworthy Dark Passages sets out to raise the reader's awareness of how to use the Bible in ways that are not so cut and dried The Method C reader appreciates myth or authorial overreach where they exist and always reads the biblical word theologically as an encounter with the divine Word Method C goes beyond a simple formulaic answer to problematic Bible passages First Things

A Path to Heaven K. R. Queen, 2023-01-31 This book illuminates just one path to Heaven but it is a real path It has been my path We are born into a confusingly pluralistic world often with little guidance A Path to Heaven begins from an agnostic perspective and walks step by step through the middle of Christianity Having been an analytical young agnostic Queen addresses the questions that arose in his search for the truth Having been a youth and campus minister he addresses the questions posed to him by numerous high school college and graduate students in their searches The first section of this book asks whether the Christian claims are true addressing arguments for and against the existence of God the historical validity of the New Testament and Jesus's claims about himself The second section asks what it means to be a Christian Why is it so hard to be a Christian How do you find your unique role within the broader Christian mission How do you live today in light of the eternal Christian hope With the clarity and precision to be expected from a lawyer and distinguished debater Queen makes Christianity accessible to everyone **God Is Great, God Is Good** William Lane Craig, Chad Meister, 2010-08-24 In

this magisterial collection the contemporary complaints against belief in God are addressed with intellectual passion and rigor by some of the most astute theological and philosophical minds of the day Including an interview by Gary Habermas with noted convert to theism Antony Flew and a direct critical response to Richard Dawkins's God Delusion by Alvin Plantinga God Is Great God Is Good offers convincing and compelling reassurance that though the world has changed God has not Wrestling with Job Bill Kynes, Will Kynes, 2022-08-30 The unique richness of the book of Job cannot be simply

explained it must be experienced In this collaboration between pastor father and scholar son Bill and Will Kynes you will find exposition spiritual application and a deeper look at the thornier aspects of the text equipping you to consider how you too might practice defiant faith *God is Good* Martin G. Kuhrt, 2020-07-30 Is the God of the Bible the most unpleasant character in all fiction as Richard Dawkins claims in The God Delusion He is backed up by former preacher and now virulent atheist Dan Barker who has cited Scripture seeking to justify every one of Dawkins's infamous character slurs about the God of the Old Testament Dawkins says the biblical God is jealous and proud of it a petty unjust unforgiving control freak a vindictive bloodthirsty ethnic cleanser a misogynistic homophobic racist infanticidal genocidal filicidal pestilential megalomaniacal sadomasochistic capriciously malevolent bully Barker has added eight accusations of his own Dawkins was

too kind he says The God of the Bible is also a pyromaniacal angry merciless curse hurling vaccicidal aborticidal cannibalistic slavemonger Furthermore Barker thoroughly implicates Jesus in the alleged crimes of his Father God is Good seeks to answer every one of these twenty seven accusations Written for theological students pastors preachers thoughtful laypeople who wince at some of what they read in the Bible and those atheists who are honestly searching for truth this book ducks none of the difficult questions and problematic passages **The God I Don't Understand** Christopher J. H.

Wright,2009-05-26 Many Christians believe that they have to understand everything about their faith for that faith to be genuine This isn't true There are many things we don't understand about God His Word and His works And this is actually one of the greatest things about the Christian faith that there are areas of mystery that lie beyond the keenest scholarship or even the most profound spiritual exercises Sadly for many people these problems raise so many questions and uncertainties that faith itself becomes a struggle But questions and even doubts are part of faith Chris Wright encourages us to face the limitations of our understanding and to acknowledge the pain and grief they can often cause In *The God I Don't Understand* he focuses on four of the most mysterious subjects in the Bible and reflects upon why it's important to ask questions without having to provide the answer The problem of evil and suffering The genocide of the Canaanites The cross and the crucifixion The end of the world However strongly we believe in divine revelation we must acknowledge both that God has not revealed everything and that much of what he has revealed is not plain It is because Dr Wright confronts biblical problems with a combination of honesty and humility that I warmly commend this book John Stott OCR GCSE Religious Studies:

Beyond Belief Robert P. Vande Kappelle, 2012-09-17 The current age marks the transition from modernity to postmodernity a period as impactful to the Western sensibility as any previous era The role of religion and the future of Christianity are at stake At this time of transition many thoughtful individuals find themselves at a quandary having reached a critical stage in their spiritual journey Prompted by academia science reason culture and their own experience they feel compelled to choose between the beliefs they inherited as children and the claims of science reason pluralism and secularism Beyond Belief suggests that one need not take an either or approach on these issues there is a better way one that embraces adventure and ambiguity science and religion reason and faith evolution and creation and finds ways to live creatively with realities for which there are no easy explanations Building on a paradigmatic journey of faith that involves three stages precritical critical and postcritical understanding Beyond Belief describes the quest for God and for authentic faith in the twenty first century The key point for this understanding is to replace belief with faith acknowledging that belief in doctrines is not central since they are themselves unprovable This new theological perspective requires rethinking many of our cherished doctrines including our understanding of God Jesus Scripture prayer miracles and revelation

Not in God's Name Jonathan Sacks, 2015-10-13 2015 National Jewish Book Award Winner In this powerful and timely book one of the most admired and authoritative religious leaders of our time tackles the phenomenon of

religious extremism and violence committed in the name of God If religion is perceived as being part of the problem Rabbi Sacks argues then it must also form part of the solution When religion becomes a zero sum conceit that is my religion is the only right path to God therefore your religion is by definition wrong and individuals are motivated by what Rabbi Sacks calls altruistic evil violence between peoples of different beliefs appears to be the only natural outcome But through an exploration of the roots of violence and its relationship to religion and employing groundbreaking biblical analysis and interpretation Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths By looking anew at the book of Genesis with its foundational stories of Judaism Christianity and Islam Rabbi Sacks offers a radical rereading of many of the Bible s seminal stories of sibling rivalry Cain and Abel Isaac and Ishmael Jacob and Esau Joseph and his brothers Rachel and Leah Abraham himself writes Rabbi Sacks sought to be a blessing to others regardless of their faith That idea ignored for many of the intervening centuries remains the simplest definition of Abrahamic faith It is not our task to conquer or convert the world or enforce uniformity of belief It is our task to be a blessing to the world The use of religion for political ends is not righteousness but idolatry To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege Here is an eloquent call for people of goodwill from all faiths and none to stand together confront the religious extremism that threatens to destroy us and declare Not in God s Name *Omnibus IV* Gene Edward Veith (Jr.), Douglas Wilson, 2009-12 *Combating the Lies of Satan* Shirley White, 2013-04-29 Satan is on a rampage he has inundated our world with a multiplicity of dangerous lies and is convincing men to feast on them while rejecting Gods holy Word However even though Satans concocting these lies man is not an innocent party to this deception Satan may be spreading lies but man entertains them of his own volition and perpetuates them Man is electing to reject God and the doctrinal teachings of the Bible he prefers to indulge teachings that agrantly contradict Scripture Man is Satans accomplice he is complicit and culpable because he disregards the Word of God and chooses lies over truth Average people have no clue theyre being deceived by a clever and diabolical spirit Satans deception and cleverness are so astute that hes convinced many to believe the lie that he doesnt exist However he does exist and the purpose of this book is to expose him his lies and his deceptions and to expose refute and combat the numerous deadly lies so prevalent in our world today that many have embraced Much in this book will be seen by many as controversial and politically incorrect but this book is factual and biblically sound it will equip you with knowledge and insights from the Word of God to prevent you from falling prey to Satans deceptions God loves you Jesus died for you and it is my prayer that you carefully consider and investigate everything in this book and make the crucial decision to believe God and His Word versus Satan and his lies *God Loves You: Some Restrictions May Apply* Tony Davis, 2019-04-10 *God Loves You Some Restrictions May Apply* and *Many Other Christian Dilemmas* is written by a fairly well educated extensively travelled former Southern Baptist Bible Banger SB3 professional layman retired military intelligence officer and keen observer of the human condition who happens to be fascinated with

what we believe why and the effects of those beliefs on society This is an appeal to honesty in the terms of epistemological disquisition a critical analysis of the major truth claims of religion especially Christianity apologetic justifications and foundational documents Written from 2008 until 2018 parts of this book were written on four continents in twenty five countries including an active combat zone so forget the lie about no atheists in foxholes and a number of the United States The book s focus is religion but the implications are applicable to all dogmatic belief systems The emphasis on religion is because it is perhaps the most pervasive and sublime crystallization of systematic dogmatic thinking in the human condition This book is not intended for a single audience but for several It is to serve as a reference work for unbelievers who simply don t know how to articulate their unbelief It is a position statement of why the author no longer believes For those who are on the fence and might need a source against which to evaluate their own questions it may be helpful And finally it is for the devoutly religious for two reasons to explain why not everyone agrees with them and to appeal for them to at least be honest when articulating their own beliefs

Our Father Forsaken HJ Sean Moon,2019-11-04 Bold and forceful in its condemnation of contemporary religion Our Father Forsaken is a meticulously researched work that demands the attention of all Jews and Christians who seek the truth In 120 A D Marcion of Sinope a charismatic preacher appeared in Rome to reveal the hidden teachings of Jesus The real Jesus according to Marcion was a pure spirit sent from the highest God to free mankind from the clutches of the evil God of the Old Testament a lesser deity among the thousands of celestial beings The disparity between the God of Moses and the God of Jesus Marcion maintained was obvious with rational comparison of Old and New Testaments The God of the Old Testament demanded an eye for an eye and a tooth for a tooth while Jesus said Do not resist an evil person If someone strikes you on the right cheek turn to him the other also Although Marcion was drummed out of Rome in disgrace his movement never died and it crystallized into the religion of Freemasonry In the 19th Century Marcionism was embraced by the German rationalists and made its way into contemporary Christianity Such rationalists argued that the Torah had been composed not by Moses but a host of sources and could not be accepted as authentic The New Testament they argued was equally unreliable It was composed not by eyewitnesses but editors and that the gospel accounts had been subjected to the process of myth making The theology of the rationalists was taught in every leading Catholic and Protestant seminary in the United States Since the scriptures were contradictory and a product of primitive times students of religion were taught that Christian doctrine should be centered on the social gospel a gospel stripped of all supernatural elements and all passages deemed offensive to modern sensibilities The result has been the creation of a religion that is devoid of the ambiguity and precariousness of life of the awe before the divine majesty and the judgment before the ineffable holiness

Divine Violence and the Christus Victor Atonement Model Martyn J. Smith,2016-09-23 In this book Martyn Smith addresses the issue of God s violence and refuses to shy away from difficult and controversial conclusions Through his wide ranging and measured study he reflects upon God and violence in both biblical and theological

contexts assessing the implications of divine violence for understanding and engaging with God's nature and character Jesus too through his dramatic actions in the temple is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of God's purposes Through a reappropriation of the ancient Christus Victor model of atonement with its dramatic representation of God's war with the Satan Smith proposes that Christian understanding of both God and salvation has to return to its long neglected past in order to move forward both biblically and dynamically into the future

God and Women JKohn D. Garr, 2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era God and Women brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of God's original intentions for women and for men at the moment when he created humanity Whether you are a woman or a man this book and the other volumes in this series will literally set you free challenging you to think and to act on divine truths from the Hebraic foundations of your faith You will clearly see God's original design and intent for women and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith
