Decoding the Mind of God Margret Ann Kelly, 2011-07-06 In Decoding the Mind of God author O M Kelly delves into the unconscious mind and discovers the secrets of the collective consciousness showing how we can realize the potential of the human mind through belief in ourselves The Laws of the universe are identical to the collective consciousness they reveal an answer to every question we are capable of asking We constantly receive these answers through the vibrations of the energy fields through our being all without us knowing how to realign our intelligence with our unconscious mind The truth remains hidden to us Surprising as it may seem the key to understanding ourselves lies in a mathematical language which is the make up of the unconscious mind Kelly explores this language through the texts and myths of myriad cultures and belief systems notwithstanding the truth of the science behind the Egyptian Hieroglyphs and the stories collected in the Bible As we read this volume we realize that all of these stories are connected to our own story within Kelly's perceptions of the order of higher consciousness are framed by stories from her experiences of personal discovery and over twenty years of researching lecturing and teaching all around the world Once these codes are unveiled we earn our freedom where we can release the fear in which humanity habitually traps itself creating our accidents diseases why we die right up to explaining extra terrestrial intelligence This book exposes the secret codes of the universal language that will help us achieve the divine unity with the universe and ourselves

God and I: Exploring the Connections Between God, Self and Ego Philip St. Romain, 2016-11-28 What do we mean when we use the terms God Self and Ego To what experiences do these terms point What are the relationships between them This book by Philip St Romain M S D Min goes beyond semantics to provide an experiential approach to understanding God Self and Ego It also situates this understanding in an anthropology that will be agreeable to most psychologists and Christian spiritual directors Different zones of intimacy between God Self and Ego are identified each with differing requirements Questions for reflection and discussion conclude each chapter along with several suggested spiritual exercises *Intelligent Design: The Witness of Creation Series Volume One* Billy Crone, 2017-10-05 Over ninety years ago the Scopes Monkey trial seemed to become the driving force where evolutionary teachings were eventually put into our schools and prayer and Bible reading were taken out At this time the evolutionists claimed that Biblical Creationists were being intellectually bigoted by excluding evolutionary teachings But now we actually have this premise in reverse Evolutionists truly are being intellectually bigoted by excluding the scientific facts of Biblical Creationism Therefore the stage is once again set to for the battle of our origins and our minds Some are even calling it the modern day Scopes Monkey trial It s the battle over Intelligent Design Therefore this book Intelligent Design takes a look at the hardcore scientific data that logically reveals how all of life was intelligently designed implying an Intelligent Designer namely God **A Biblical Point of View on Intelligent Design**

Anderson, Kerby, *God: The Intelligent Designer* Ronald Rollins, 2006-04-01 Written for general audiences this volume is an excellent reference to help resolve conflicting views between religion and science God = Creation = Evolution = Intelligent Design Melvin L. Riley, Deloris Riley Haywood, Walter V. Collier, 2014-07-17 Dr Melvin Louis Riley was born in New Orleans Louisiana on September 14 1937 and died on November 12 2011 He was an engineer and a lawyer with an unstoppable curiosity not only in the physical world but the spiritual as well As a child he was academically precocious and excelled in his studies He earned a Bachelor of Science degree in Electrical Engineering and a Master s degree in Business

Administration from the University of California at Los Angeles and a Doctor of Juris Prudence from Southern University Law School in Louisiana After UCLA Dr Riley joined the U S Army and was promoted to the rank of 1st Lieutenant Prior to becoming an attorney he worked as a Computer Engineer for many years at IBM Science and engineering were his first loves followed later by the law But it was during his later years that he developed a passionate inquisitiveness about God and the creation of the universe He doggedly sought answers to questions about the what why and how of the universe s formation and especially the Earth s His desire to know just how our planet came to be and the process by which it was formed led him read voraciously on the subject But he was neither totally satisfied by what he found in the Bible nor in the scientific literature This led him on a journey that resulted in this book which opens up new paths of thought about our creation and purpose in life Dr Riley s insightful and new perspective on the long standing tension between creationism and evolution science is highly thought provoking no matter where you may stand on the subject of creation of the Earth
