America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective) Tad R. Callister, 2023-07-10
America's Destiny sets forth compelling evidence of America's divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America's Destiny asks the question that should be on all of our minds What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America's choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33:12 **God Versus Socialism** Joel McDurmon, 2009 *God's Ten Words* Buddy Hanson, 2002-04 God's Ten Words provides clear directions on how to conform a person's life to God's will Each chapter contains a series of practical applications by quoting the most trusted and renowned biblical commentators of the past 2000 years who have written on the commandments Each commandment ends with a Before Christianity's Influence section that contrasts the Christian worldview from the worldview of non-Christians The Check Up from the Heart Up review questions at the end of each chapter make the book suitable for individual and group study as well as Home School use Each chapter ends with a ThinkAbout essay that relates to the material in the commandment [God Hates Flags! community King's words reflect the strong religious convictions that motivated the African American civil rights movement. As King and his allies saw it, Jesus had founded the most revolutionary movement in human history: a movement built on the unconditional love of God for the world and the mandate to live in that love. Through a commitment to this idea of love and to the practice of nonviolence, civil rights leaders sought to transform the social and political realities of twentieth-century America. In *The Beloved Community*, theologian and award-winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today. *The Beloved Community* lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community.

The Silence of Swastika Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent. But it has so much to say. The symbol's many secrets were revealed by the world-renowned historian Dr. Rex Curry, referenced inside Dr. Curry's work, is endorsed in *The Silence of Swastika*, a video documentary produced by AKTK in India. The lead reporter confirmed Dr. Curry's discovery, stating, "It is also claimed that one of the reasons for choosing this symbol was the S in Hitler's party name National Socialist, which is not unreasonable; it is in Hitler's own book at 30.30." The documentarians learned about the swastika from educational outreach programs about Dr. Curry's academic achievements. They learned that Hitler didn't call his symbol a swastika; he called it a Hakenkreuz, hooked cross, because it was a type of cross from the Christian religion. The documentary is a massive adoption and rehashing of Dr. Curry's earlier work. The video documentary was produced before Dr. Curry's latest jaw-dropping revelation, and that is unfortunate. In 2022, Dr. Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP (National Socialist German Workers Party) because Hitler needed the word SOCIALIST in his party's name so that Hitler could use swastikas as S-letter-shaped logos for SOCIALIST as the party's emblem. It is important to note that Hitler didn't rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party. Here are some of the many secrets revealed about the swastika.

1. NEW SWASTIKA DISCOVERY: The swastika is the reason why Hitler renamed his political party from DAP to NSDAP (National Socialist German Workers Party) because he needed the word Socialist in his party's name so that Hitler could use swastikas as S-letter-shaped logos for SOCIALIST as the party's emblem. The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols, including the SS and SA and NSV and VW, etc. He was selling socialism by selling flags and related merchandise. It resembled the advertising campaign of the American socialist Francis Bellamy. The new discovery part includes the fact that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party, adding the word socialist. The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S-letter shapes for his socialism. The discoveries are from the historian Dr. Rex Curry's work.
