Gloomy Ruins Everything:

Gloomy Ruins Everything Billy Greer, 2017-07-08 Chloe will not be playing with you ever You are banned from playtime Gloomy the ragdoll thought things were finally starting to go his way when a kindhearted little girl rescued him off the street Unfortunately though her other toys are as bigoted as they are beautiful Repulsed by Gloomy's dreadful stitched up appearance and neurotic behavior they deem him unworthy of their owner's love and banish the poor ragdoll to a junk closet However Gloomy refuses to accept their decision With help from some fellow exiles known as The Misfits he tries to win everyone's affection by performing a good deed His plans are well intentioned but they accidentally result in the death of a beloved toy As the ragdoll scrambles to avoid suspicion the world's cutest murder mystery kicks into high gear leading to a mad spiral of vengeance blackmail rebellion and strange romance If the others find out what actually happened it could cost the ragdoll more than his playtime it could cost him his life Pushing the concept of living toys to unusual extremes Gloomy Ruins Everything is a dark misadventure with a twisted sense of humor

The Song of the Sad Nightingale Steve Adatto, 2023-12-04 This book is a sequence poem of 505 parts It took me several years to write it The poem is an old idea that I had sometime a long time ago It was inspired by some music that I used to listen to called Song of the Nightingale The idea of the universe being so dark and so cold and always being in the darkness of the nighttime made me wonder a bit for the nightingale sings its songs mostly maybe only by night So the universe could be a haunted place that nightingales wander throughout in the darkness and guarding and watching over everything where it can ultimately rule the stars and moons as it supposedly should do There are also midnight nightmares that wander throughout the stars in these enormous gatherings of birds and horses singing for someday the universe will come to its conclusion and it's all mixed in with basic modern day science aspects and things to try to be something new and it tries to explain the universe with songs of nightingales and nightmares ravens and crows and mockingbirds mixed in with the wonder of where the universe has really come from From the darkness it all has come and to the darkness it all shall return And from nowhere it has come to nowhere it will return As Einstein says I want to know how God made the universe I see my life in terms of music Alber Einstein

Pathetic Life Victor Gasiorek,2021-06-10 This novel is loosely based on my real life but not 100% entirely This is a book that I am hoping will make readers more confident about themselves and their own lives The novel focuses on mental illness drug addiction suicide and love There is a lot of explicit language used throughout most of the novel as well as focusing on the topic of mental illness loss of loved ones and the genuine struggle of living life as a human on planet Earth This novel represents various struggles that I and other people deal with throughout day to day life I m hoping this book will be able to help those who struggle with mental illness drug addiction and loss of loved ones via suicide as well as religious confusion It s a dark read but it has a fairly light and happy ending *SAD SUMMER IN BIARRITZ* Jill Culiner,2017-06-10 I have now

started my new life with its positive dynamic by recording all details I ll see a pattern emerge One day perhaps in the very near future I ll peruse these notes with pleasure One day When I m secure in love in my own home in happiness The narrator a Canadian woman hopes to change her life by moving to Biarritz Having escaped a devastating relationship with the mentally unstable Dominique she is determined to make new friends and find the perfect mate But in this summer resort frequented by couples and families available singles are lonely people too often embittered by romantic failure And if the young artist Vinnie has promised entry into local society he remains an illusive figure When Vinnie s body surfaces at the Pointe des Fous new rumours circulate Had he really been a fortune hunter a seducer and blackmailer or just a gentle over sensitive man a loser in love and friendship The police have concluded his death was accidental but doesn t everything point to murder Or is the narrator over reacting Perhaps loneliness and isolation have made her suspicious for love is as unattainable as ever and threatening letters from Dominique are arriving with increasing frequency Sad Summer in Biarritz is a mystery a story of the desperately lonely search for love and a satirical portrait of French nouveau riche society in the 1980s
