**Christology in Mark's Gospel: Four Views** J. R. Daniel Kirk, Adam Winn, Sandra Huebenthal, L. W. Hurtado, 2021-11-09  
Gain Insights on Mark's Christology from Today's Leading Scholars The Gospel of Mark widely assumed to be the earliest narrative of Jesus's life and the least explicit in terms of Christology has long served as a worktable for the discovery of Christian origins and developing theologies The past ten years of scholarship have seen an unprecedented shift toward an early high Christology the notion that very early in the history of the Jesus movement his followers worshipped him as God Other studies have challenged this view arguing that Mark's story is incomplete intentionally ambiguous or presents Jesus in entirely human terms Christology in Mark's Gospel Four Views brings together key voices in conversation in order to offer a clear entry point into early Christians understanding of Jesus's identity Sandra Huebenthal Suspended Christology Larry W Hurtado Mark's Presentation of Jesus with rejoinder by Chris Keith J R Daniel Kirk Narrative Christology of a Suffering King and Adam Winn Jesus as the YHWH of Israel in the Gospel of Mark Each author offers a robust presentation of their position followed by lively interaction with the other contributors and one last word rejoinder The significance of this discussion is contextualized by the general editor Anthony Le Donne's introduction and summarized in the conclusion The CriticalPoints Series offers rigorous and nuanced engagement between today's best scholars for advancing the scholarship of tomorrow Like its older sibling the CounterPoints Series it provides a forum for comparison and critique of different positions focusing on critical issues in today's Christian scholarship in biblical studies in theology and in philosophy Mark's Gospel: An Actological Reading Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match **The Christology of Mark's Gospel** Jack Dean Kingsbury, 1983 This important work represents a major methodological advance in the study of the Gospels The result is a significant reassessment of Mark's Christology and a stunning new interpretation of the secrecy motif **Spirituality of the Gospels** Patrick J. Hartin, 2025-01-15 Within each of the four gospels there is a foundational spirit a rich spirituality based on each gospel's unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin's twofold approach gives

us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision

Commentary study and reflection questions prayers and access to online lectures are included 6 lessons      **The Gospel of Mark in Context** Santiago Guijarro,2022-04-14 The short story that we now know as the Gospel according to Mark was written in Greek twenty centuries ago in the context of an agrarian society that had been developing its own characteristics in the circum Mediterranean region Mark s account presupposes the values institutions and relationships of the culture in which Jesus and his first followers lived Modern readers of the Gospels however especially those born and raised in the North Atlantic postindustrial societies have other values and institutions and relate to each other according to other cultural codes This temporal and cultural distance between the ancient texts and their present day readers makes necessary an exegetical effort whose purpose is to recover as far as possible the reading scenarios presupposed by these texts In order to reconstruct these scenarios exegesis has turned in recent years to the social sciences whose models permit us to imagine and describe the situations presupposed by these ancient texts This book aims to show how the use of these scenarios elaborated with the help of the social sciences can contribute to a more considered and respectful reading of Mark s story      *Jesus and YHWH-Texts in the Synoptic Gospels* Scott Brazil,2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology      Mark (Understanding the Bible Commentary Series) Larry W. Hurtado,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series      Mark Mark L. Strauss,2014-10-06 Concentrate on the biblical author s

message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes

**Feasting on the Gospels--Mark** Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-06-12 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another trusted preaching resource this time on the most prominent and preached upon books in the Bible the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels includes completely new material that covers every single passage in the Gospels making it suitable for both pastors who preach from the lectionary and pastors who do not Moreover these volumes incorporate the unique format of Feasting on the Word giving preachers four perspectives to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels offers a unique resource for all who preach either continuously or occasionally on the Gospels *Christology and Discipleship in the Gospel of Mark* Suzanne Watts Henderson, 2006-03-23 Exploring the interrelated topics of Christology and discipleship within the apocalyptic context of Mark's Gospel Henderson focuses on six passages Mark 1:16-20, 3:13-15, 4:1-34, 6:7-13, 6:32-44, 6:45-52 Together these passages indicate that the disciples failed to understand not just Jesus' messianic identity per se but the apocalyptic nature of his messiahship as well as its implications for their own participation in God's coming reign The implications of this for Mark's gospel as a whole are to situate Mark's Christological claims within the broader context of the apocalyptic gospel of God This lends coherence to Mark's bifocal interest in miracle and passion It also illuminates the relationship between Mark's Jesus and his followers as those who carry forward his own mission to demonstrate the coming kingdom of God which is fully assured if not yet fully in view **The Theological Role of Paradox in the Gospel of Mark** Laura C. Sweat, 2013-10-10 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity Part One focuses on divine action present in Mark 4:10-12 In the first paradox Mark portrays God's revelatory acts as consistently accompanied by concealment The second paradox is shown in the various ways in which divine action confirms yet counters scripture Finally Mark describes God's actions in ways that indicate both wastefulness and goodness deeds that are further illuminated by the ongoing yet defeated presence of evil Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4 Through

paradoxical narrative Mark emphasizes God's transcendence and presence showing that even though Jesus has brought revelation a complete understanding of God remains tantalizingly out of their grasp until the eschaton 4 22 *Parables of Jesus* Richard Gribble, Richard Gribble, CSC, PhD CSC, 1999-06 The parable is the most well known literary form presented in the gospels and since narrative or story sermons are such a prominent element in the contemporary pulpit pastors are preaching on the parable texts more frequently than ever This book provides a thorough and complete examination of each of the parables in Cycle B of the Revised Common Lectionary Each parable study includes discussion of the theme spiritual food for the journey application of the parable to contemporary life openings for preaching points of challenge and questions to ponder exegesis and explanation of the parable context of the parable These studies will be a classic resource for preaching or useful for Bible study and inspiration The author of seven books and over 100 articles Richard Gribble CSC is the acting superior at Moreau Seminary at the University of Notre Dame Father Gribble earned his Ph D from the Catholic University of America and has also earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley The Gospel According to Mark, Part Two Marie Noonan Sabin with Little Rock Scripture Study Staff, 2020-07-15 Thought to be the earliest of the four Gospels the Gospel of Mark is a fast moving vivid account of the ministry suffering and death of Jesus Enter into a rich encounter with this preacher wonder worker and messiah whose very life delivered an urgent message about repentance transformation and the reality of suffering in the life of a disciple Part Two explores Mark 9 33 16 20 including Jesus entry into Jerusalem and the events of his passion death and resurrection Commentary study and reflection questions prayers and access to online lectures are included 4 lessons **The Gospel According to Mark** Marie Noonan Sabin, 2016-12-01 New Collegeville Bible Commentary The Gospel According to Mark Volume 2 The absence of stories of Jesus birth and infancy a minimum of Jesus parables and a resurrection scene without sight or sound of the risen Jesus have tempted readers to shortchange Mark's Gospel Thanks to the insightful analysis and inspiring reflections of Marie Noonan Sabin anyone studying this premier Gospel with her guidance will recognize the genius of the original author Sabin asserts that Mark's Gospel is not an eyewitness account or a work of biography or history She writes What Mark gives us is far richer He interprets Jesus in the light of the Hebrew Bible showing Jesus to be not only a teacher of Wisdom but Wisdom itself calling his followers to an unconventional wisdom a way of living and a way of dying that he himself exemplifies The cover of this commentary from The Saint John's Bible highlights Sabin's thesis that the transfiguration of Jesus is pivotal to the Gospel The scene 9 2 8 overshadows both parts of the Gospel emphasizing God's creative transforming transfiguring power to restore life Sabin gives special attention to Mark's key words and phrases e g release rise up or be raised straightway and ecstasy and his pattern of twos and threes Especially helpful are the summaries at the end of each chapter Here is a commentary that will restore Mark's prime place among the other two Synoptic Gospels Marie Noonan Sabin Ph D has taught the Gospel of Mark at Bangor Theological Seminary an

earlier book on Mark *Reopening the Word* was published by Oxford University Press in 2002 **Mark** Kevin Perrotta, 2010-06 In the book of Mark Jesus eagerly proclaims the Good News the Kingdom of God has come What does that mean for those of us who follow Jesus Mark *Getting to Know Jesus* is an excellent introduction to the book of Mark and the important themes contained in this earliest gospel A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it To do this we need guidance and the right tools for discovery The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six week format Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader friendly format gives suggestions for prayer that help readers respond to God's word appeals to beginners as well as to advanced students of the Bible By reading Scripture reflecting on its deeper meanings and incorporating it into our daily life we can grow not only in our understanding of God's word but also in our relationship with God *Holiness and the Missio Dei* Andy Johnson, 2016-09-29 In *Holiness and the Missio Dei* Andy Johnson takes the reader on a biblical journey that explores the question of what holiness or sanctification has to do with God's mission in the world He refuses to relegate the idea of humans becoming holy to the realm of individual inward piety or legalism on the one hand or to the realm of the impossible prior to Christ's return on the other Using a missional lens to guide the reader into a theological engagement with Scripture Johnson argues that God's primary means of making us holy is through our participation in his saving reconciling mission to bring creation to its intended destiny As we become and remain part of an ecclesia we are corporately and personally shaped by the Spirit into the image of the cruciform Son through participation in the missio Dei and thereby are being restored into the image of the holy God the imago Dei This book is written primarily for church leaders for students and for academics who are interested in missional readings of Scripture It will challenge those who read it to re-articulate the church's becoming holy as being inseparably connected to its active participation in God's mission **Mark** Warren Carter, 2020-04-03 The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series This reading of Mark's Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and resist all forms of domination that prevent the full flourishing of all humans and all creation Accordingly it foregrounds the Gospel's constructions of gender in intersectionality with the visions structures practices and personnel of Roman imperial power This reading embraces a rich tradition of feminist scholarship on the Gospel as well as masculinity studies particularly pervasive hegemonic masculinity Its politically engaged discussion of Mark's Gospel provides a resource for clergy students and laity concerned with contemporary constructions of gender
