[What's Right with Preaching Today?](#) Mike Graves, André Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in *Harpers Magazine* What's the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock's legacy Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching's

present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson **Unmasking Apocalyptic Texts** Dorothy Jonaitis,2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis **BOOK JACKET Making Your Way to the Pulpit** Jerrilee Parker Lewallen,William Hoover Hethcock,2010-10-15 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis **Preaching as Pastoral Caring** Roger Alling,David J. Schlafer,2005-03 Each volume would follow the pattern of 1 a brief opening introductory essay that would shape the context for that volume 2 a selection of sermons from preachers active in the pulpit organized under headings appropriate to the topic of the volume as well as sub topics within the volume 3 several complementary and reflective essays from professionals of distinction in the field of homiletics 4 sermons from the annual Preaching Excellence Conference as exemplified in the previous Preaching Through the Year of Matthew Mark and Luke **Good Lord, Deliver Us** Rowan Crews,2001 *Stumbling over the Cross* Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a

stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **American Book Publishing Record** ,2007 **Preaching to Korean Immigrants** Rebecca Seungyoun Jeong,2022-09-14 In terms of practical theology s critical reflection on marginalized people s wounds in a wider society this book investigates the question How to proclaim the good news in response to first generation Korean immigrants contextual suffering in the United States To answer the question the book starts with investigating Korean immigrant hearers contextual predicaments in a new land to point out emerging practical theological issues in relation to the practice of preaching In this book the primary subjects are first generation Korean immigrants especially those who have relatively low socio economic status and struggle with the purpose of their lives as immigrants particularly those whose material dreams have been shattered In order to proclaim the good news this book proposes a more appropriate immigrant theology for in the practice of preaching by reclaiming the priorities of God s future in our lives and confirming God s active identification with Korean immigrant congregations in the depths of their predicament Such reconstructive work for immigrant theology arises in response to their existential hardships marginality ethnic discrimination and relative powerlessness in life While acknowledging both the possibilities and limits of the diverse forms of current Korean immigrant preaching the book then offers a strategic proposal for a new homiletic theory namely a psalmic theological homiletic This proposed homiletic is deeply rooted in the theology of the Psalms and their rhetorical movement This re envisioned mode of eschatological and prophetic preaching in times of difficulty recovers ancient Israel s psalmic rhetorical tradition that aims toward faith Its theological rhetorical strategy intends to both transform hearers habitus of living in faith and enhance their hope filled life through communal anticipation of God s coming future on the margins Specifically this proposed homiletic critically adopts key features from psalms of lament and their typical fourfold theological rhetorical movement i e lament retelling a story confessional doxology and obedient vow as now core elements of a revised Korean immigrant preaching practice **The Lost Sermons of C. H. Spurgeon Volume VII** Charles Haddon Spurgeon,2022-09-01 In 1857 Charles Spurgeon the most popular preacher in the Victorian world promised his readers that he would publish his earliest sermons For almost 160 years these sermons have been lost to history In 2017 B H Academic began releasing a multi volume set that includes full color facsimiles transcriptions contextual and biographical introductions and editorial annotations Written for scholars pastors and students alike The Lost Sermons of C H Spurgeon will add approximately 10 percent more material to Spurgeon s body of literature **The Sermons of Henry Ward Beecher in Plymouth Church, Brooklyn** Henry Ward Beecher,1871 **Sermons from the Flemish, tr. by a Catholic priest. Vol. Latria** ,1885 **Reflections on Forgiveness and Spiritual Growth** Andrew J. Weaver,Monica Furlong,2000 Reflections on Forgiveness and Spiritual Growth consists of a series of reflections on forgiveness as part of the faith journey written by experienced voices in the Christian community The writers grapple with the questions Does forgiveness mean you forget

Does forgiveness end resentment How has forgiving led to deeper faith What lessons and wisdom can you share about the personal struggle to forgive **Jesus Is Better than You Imagined** Jonathan Merritt,2014-04-01 Is the God who created us better than the God we've created After following Jesus for nearly two decades Jonathan Merritt decides to confront the emptiness of a faith that has become dry predictable and rote In a moment of desperation he cries out for God to show up and surprise him and over the next year God doesn't disappoint In *Jesus is Better Than You Imagined* Jonathan shares vulnerable never before shared stories of how he learned to encounter Jesus in unexpected ways Through a 60 hour vow of silence in a desert monastery he experiences Jesus in silence When a friend dies of a rare disease he sees Jesus in tragedy Through confronting childhood sexual abuse Jonathan discovers Jesus in honesty In an anti Christian themed bar he finds Jesus in sacrilege And when he's almost kidnapped in Haiti by armed bandits he experiences Jesus in the impossible Though Merritt finds himself in places he never dreamed of he doesn't lose his way Instead these experiences force him back to the Bible where he repeatedly offers fresh sometimes provocative interpretations of familiar passages Along the way he throws back the covers on the sleepy faith of many Christians urging them to search for the Holy in their midst Pointed and poignant by turns Jonathan helps readers open their hearts to a mysterious God and a faith that sustains guides and most importantly surprises His fearlessly honest story invites us all to discover the messy mercy and crazy grace of a sometimes startling Savior **Stories from the Edge** Greg Garrett,2008-01-01 Where is God in the midst of suffering How do people find strength and comfort in times of terrible adversity Award winning writer Greg Garrett addresses these questions and others as he helps readers grapple with the question of where God can be found in times of tragedy He explores the theological themes of biblical stories and American myths and discusses how these stories have shaped our beliefs about God He further examines what these foundational narratives reveal about our understanding of God how they inform how we live our lives and how we experience God's presence in the midst of grief and suffering This well written volume is engaging reading for clergy chaplains pastoral counselors and all who must find the courage and faith to support individuals and families in times of suffering and grief **When Pain Is Real and God Seems Silent** Ligon Duncan,2020-03-26 In the midst of our suffering we need a wake up call to the truth that God's steadfast love never ceases Dave Furman Senior Pastor Redeemer Church of Dubai author *Being There* and *Kiss the Wave* Are you feeling despondent depressed or discouraged When we encounter severe trials and suffering we are often tempted to think that our situation is somehow out of God's hands In these dark times God seems silent and we feel isolated confused and alone Everyone experiences suffering even the biblical writers expressed anguish at times This emotion is clearly captured in the Psalms Through these brief meditations on Psalms 88 and 89 Ligon Duncan shows us how to respond to our own suffering with the assurance of our heavenly Father's mercy which sustains us even in the darkest circumstances **Sermons [preached] in Plymouth Church, Brooklyn** Henry Ward Beecher,1870 *The British Friend* ,1900 **Religion Index One** ,1999
