Three Religions... One God? Michael Carpenter, 2010-02 There are three major religions in the world today Christianity Judaism and Islam Though these three belief systems intertwine throughout history they are in fact extremely different in both basic structure and ultimately In deity Many people have claimed over the years that the God of Judeo Christianity is in fact the same god of Islam However due to key points of differences in their respective religious texts As well as the nature of God versus Allah in the everyday

life of those who practice these religions it becomes clear that God is in fact a completely separate entity from the Islamic Allah despite the fact that Allah is the Arabic word for God in his provocative and inciting work *Three Religions One God* Author Michael Carpenter inspects the basic tenets of each religion meticulously and shows through textual and well as situational evidence and critical thinking that not only is the god of Christianity and Judaism different from the god of Islam but that the god of Judeo Christianity is in fact the one true god And The deserver of your love and allegiance From exploring the lives of Muhammad and Jesus to decoding the predictions For The end of the world *Three Religions One God* offers insightful and challenging debate that will inspire readers to make their own foray into the realm of comparative religion Michael resides in Missouri and is the proud father of two children Due to four years of service in the United States Air Force he is a man who likes knowing how things work and enjoys probing intellectual and spiritual discovery **An Intervening**

Love Thomas M. Stallter, 2025-05-15 This is the second of two books the first is titled *Finding Freedom and Grace in a Broken World* A Journey in the Purposes and Providence of God intended to help longtime but tired believers and those at a distance or disenchanted with what they have seen in Christianity to know God better to experience his grace from the inside and to grow deep in their faith and loyalty to the God of the universe The 248 themes here are intended to help readers continue to become what God wants them to be in a broken world trying to make them into something else These words are for people who want to move from Christian routines rituals and information about God to flourishing faith and trust enveloping an ongoing intimate relationship with him in their daily lives For he continues to move in the history of the world he created coming between humankind and the darkness that has settled in offering his welcoming grace to the most unworthy bringing freedom to the oppressed hope to the weary and reigniting the faith of tired Christians It is the story of his intervening love for everyone who wants it *Together in Prayer* Andrew R. Wheeler, 2010-01-04 Prayer is intimidating Yet prayer is a gift from God to all of us and group prayer binds us to one another in ways that no other activity can Andrew R Wheeler lays the groundwork for establishing a responsible meaningful prayer ministry in your small group Here you ll find guidelines for praying in groups common pitfalls of communal prayer and suggestions for spurring your group onward

Theofatalism Lewis Tagliaferre, 2013-06-10 When your world of traditional assumptions is shaken where do you turn for inner peace and personal comfort Considering Pascals wager if there is no god and we disbelieve we have lost nothing but if there is a god and we disbelieve we may have lost everything But what if there is no free will and we all must believe whatever we are given That is the primary question that pushed this author into investigating what the world religions and philosophies taught about the existential puzzle called life When my traditional faith failed to provide any comfort after untimely death of my wife I began searching for some belief I could live with and this is what I was given Many thinking people have rejected the mythical god of the Bible and the Quran but they have not found a suitable substitute Since there is no proof for or against the existence of God everyone must be agnostic or atheist if they will admit it Perhaps it is time to

replace the anthropomorphic god with one that really works Not the god of the Bible or the Quran but the prime force in the universe Generator Operator Destroyer G O D The expanded and updated essays in the second edition of this book develop such a new theology Evangelicals Around the World Thomas Nelson,2015-07-14 There are an estimated 600 million Evangelicals in the world today crossing cultures histories languages politics and nationalities Evangelicals Around the World A Global Handbook for the 21st Century introduces the fastest growing segment of the global Christian church to the world and to each other Bringing together a team of multi disciplined scholars writers activists and leaders from around the world this handbook provides a compelling look at the diverse group we call Evangelicals In this guide written by those who know the movement the best the issues that divide and the beliefs that unite this global Christian movement are presented in a journalistic fashion Evangelicals Around the World describes the past and the present the unique characters and the powerful ministries of Evangelicals With a large trim size and colorful page design this beautiful book is the perfect choice for laypeople and scholars alike Features include Essays written by senior leaders of the movement and newer voices with fresh perspectives Articles written by journalists convey diverse and creative perspectives on ministry Essays provide the demographic details of Evangelicals in regions around the world Maps graphs photographs quotes and mini profiles of evangelical heroes throughout time *The Future of God in the Global Village* Thomas R. McFaul,2011-10-11 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth s diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent **The Great Tribulation!** Richard L. Guthrie,2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if theres a Post

Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice

Holy War Karen Armstrong,2001-11-27 The New York Times bestselling author of A History of God skillfully narrates the history of the Crusades with a view toward their profound and continuing influence Holy War brings compassion objectivity breadth and imagination to the most urgent crisis of our time The Boston Phoenix In 1095 Pope Urban II summoned Christian warriors to take up the cross and reconquer the Holy Land Thus began the holy wars that would focus the power of Europe against a common enemy and become the stuff of romantic legend In reality the Crusades were a series of rabidly savage conflicts in the name of piety And as Armstrong demonstrates in this fascinating book their legacy of religious violence continues today in the Middle East where the age old conflict of Christians Jews and Muslims persists
